VETERAN - GRADUATES

Many of our Northville boys who left school to enter the armed forces have returned to complete the requirements toward graduation. Realizing that their return to school would be a long step from their activities in the services, the boys have worked hard to overcome any obstacles and are to be commended for their efforts to secure an education. The success of these boys will undoubtedly be an inspiration to other veterans who have thought of returning to school.

CLASS HISTORY

The class of 1946, which in our Freshman year included many students from Cady School, was introduced to N. H. S. by the Sophomore class, which entertained us with a party in the gym. Johnny Stark's orchestra furnished music for dancing, and refreshments were enjoyed.

When school opened in the fall of our Sophomore year we assumed our responsibilities as a class by first electing our officers: Keith Simons, President; Lois Taft, Vice-President; and Marilyn Goza, Secretary and Treasurer. Miss Lance and Mrs. Herrick were our sponsors. We started making plans for the party to welcome the Freshmen. We entertained them in the gym by dancing to records, playing games, and serving refreshment later in the evening. For the Eastern Star Ball we helped decorate the gym, took care of the check room and the boys formed a 'clean-up committee to get things back in order. This added money to our treasury. In the Spring we selected our class rings.

In our Junior year we elected John Mahoney, President; Florence McCluskie, Vice-president; Keith Simons, Secretary; and Milan George, Treasurer. Miss Lance and Miss Burrell were our sponsors. We undertook the sale of magazines, earning over \$200. When Valentine's Day came we sponsored a dance at which every one wore red and white. Later came the big event we had all been waiting for, the J-Hop! Various committees were headed by Julia Lewis, John Schroder, Glenn Hardesty, Stella Poulos, Howard Walling, Linwood Snow, Joe Felber, and Bob McKeague. We used a Dutch theme, decorating the gym attractively with tulips and windmills. The music was furnished by Johnny Harberd's orchestra. At the commencement exercises of the class of 1945 we decorated and ushered.

Then came our big year! At last we were Seniors. This year we elected Milan George, President; Tom Gross, Vice-president; Ella Orr, Secretary, and June Bailey, Treasurer, with Mr. Mollema and Mr. Ellison as sponsors.

Our first big event was the Senior Prom. The committee chairmen were: Julia Lewis, Coralyn Stephens, Lester Ward, Clayton Graham, John Schroder, Irene Fox, and Lois Taft. Hoagy Carmichael's "Stardust" was the theme, the gym being decorated with stars and musical notes. Johnny Harberd's orchestra was again engaged. In January a group, under the direction of Mr. Yahne, began work on the Palladium. During the second semester the class members chose Keith Simons, Lee Bowring, and Elizabeth Mayer to take the examinations for the Pepsi Cola Scholarship Award. Florence McCluskie was chosen to receive the D. A. R. award. The class selected May 29 for the annual skip day.

Now we have reached the crossroads of our lives. Our high school days are over and the long road ahead of us will require courage and hope. No matter how discouraged we might become, we can always look back and remember that some of the best times we ever had were at Northville High.

Miss Lucht's homeroom has been busy this year with various activities including assembly programs, shopwork, home making projects and music and art appreciation.

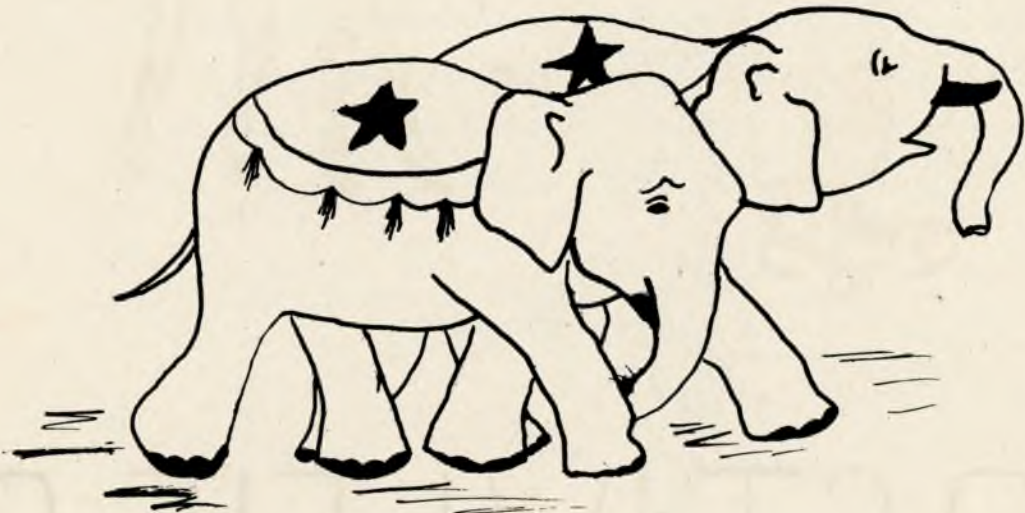

N. H. S. PARTICIPATES IN WORLD FRIENDSHIP

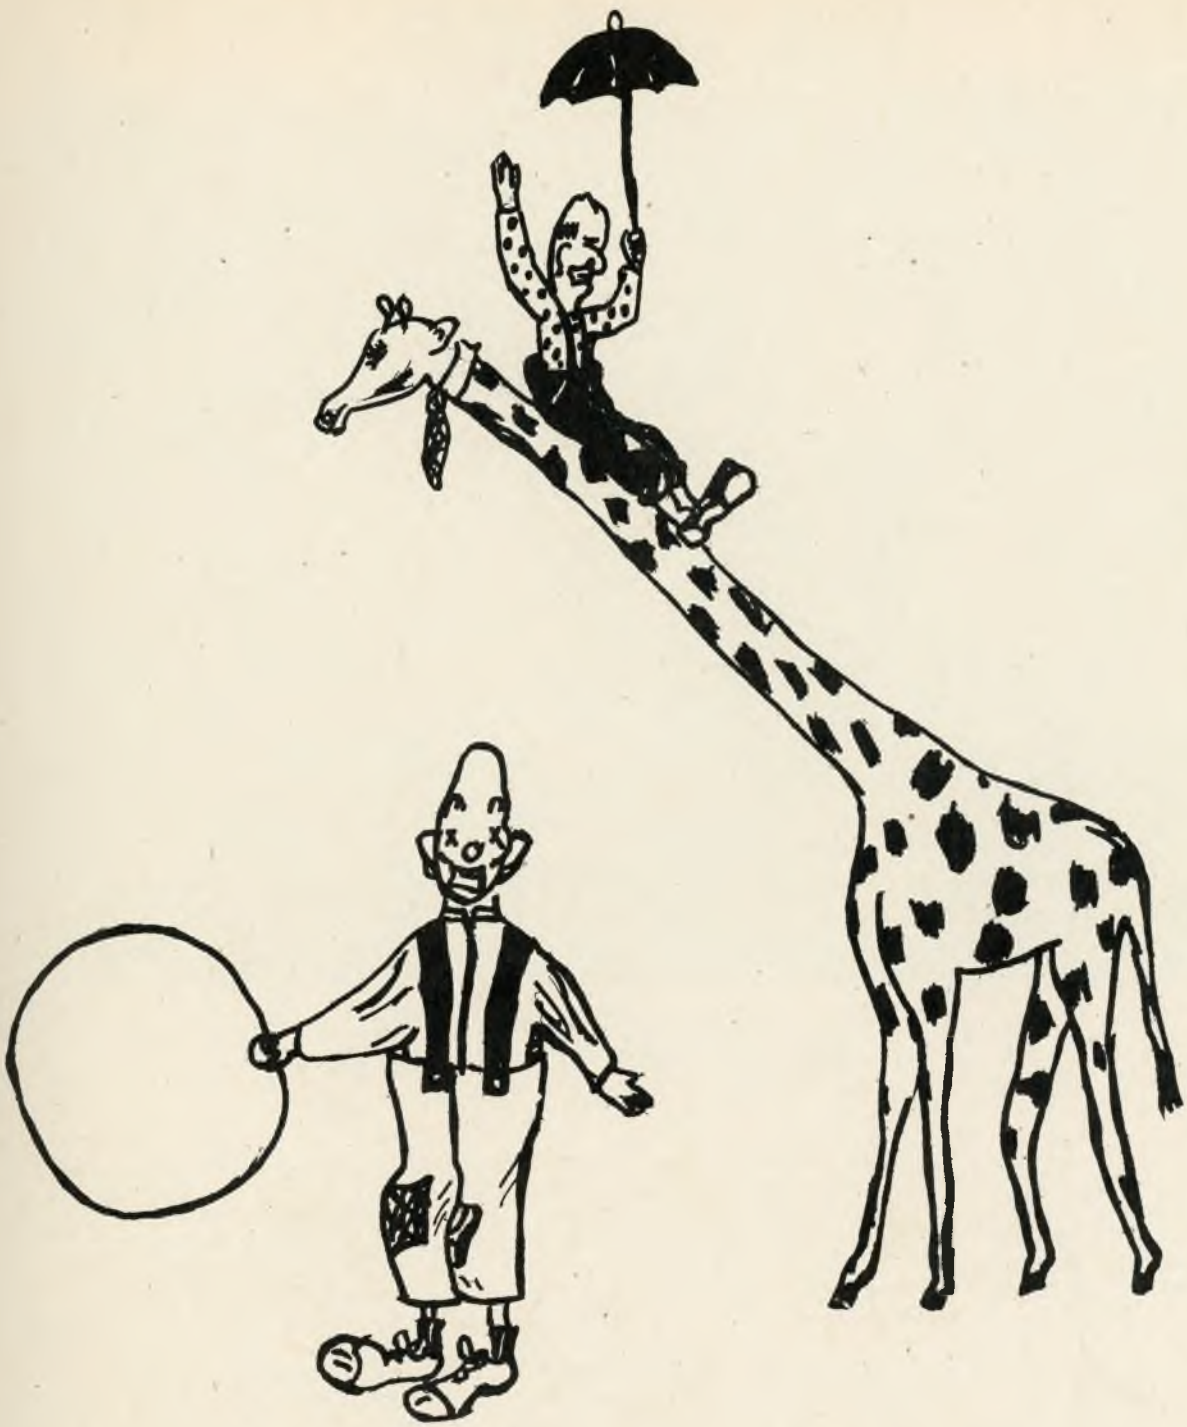

In 1943 Miss Vickland's seventh grade English and Social Science classes, the present freshmen, sold \$100 worth of pencils for the China Relief Fund. The eighth graders, who are the present sophomores, contributed \$50 to the support of five of Madame Chiang "Warphans", and the amount was doubled to support ten "Warphans" for one year. This was the beginning of our "Golden Rule" Policy.

Each student contributed to the Golden Rule Foundation to support the orphans of Europe. This winter Miss Vickland received a "Peace Bond" stating that her English Department and Homeroom had contributed \$120 for the support of the needy children of Europe, making the group a member of the Golden Rule Foundation for this year.

Surely these students deserve a commendation for their contributions, for they are doing their part in striving to win the good will of those who are less fortunate than we in America.

Other projects engaged in by our students were the Bond and Stamp Drives, the War Chest and the Red Cross.

ACTIVITIES

SENIOR STUDENT COUNCIL

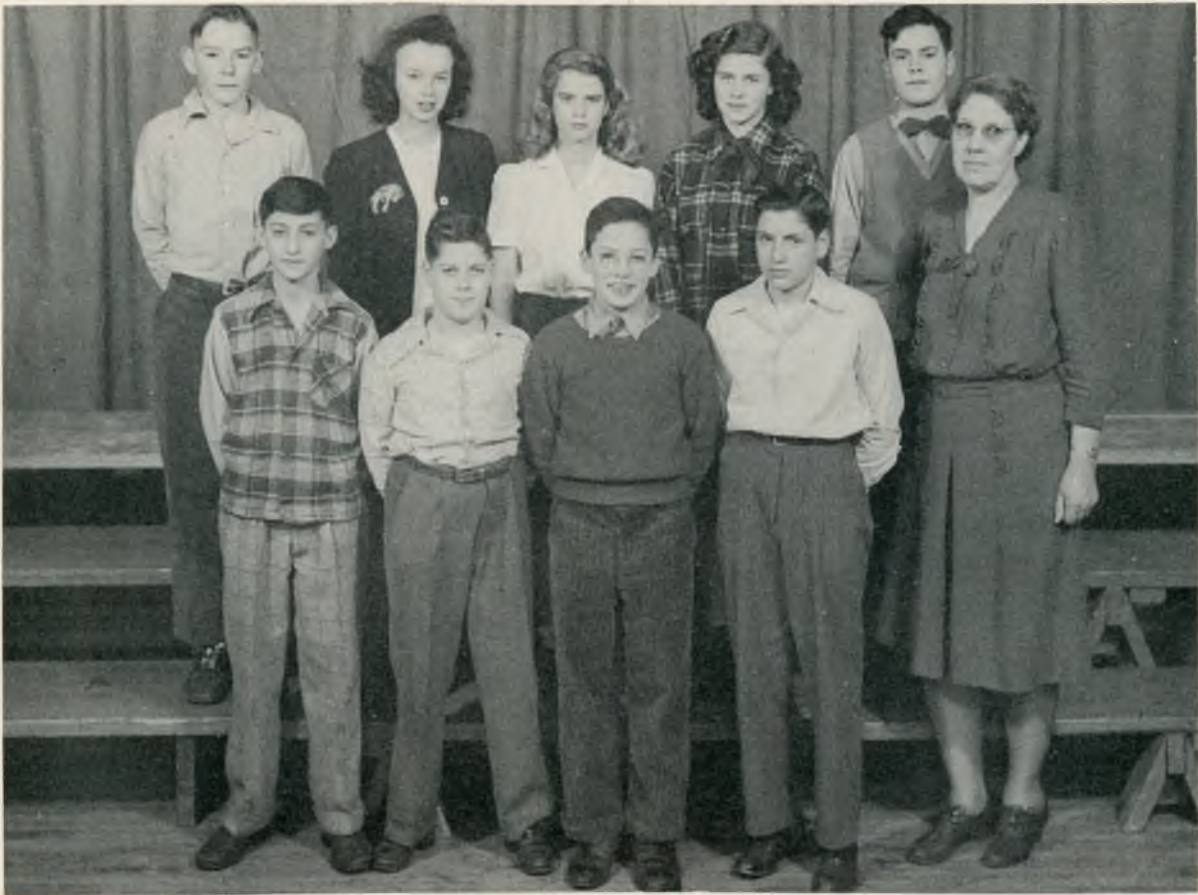

**Bjarnesen Boyd Charron Hay Butcher
Rodgers B. Gross Gansell Keiser
Stalker Cole Wilson Poulos Proctor
Mr. Morrison McCluskie Graham T. Gross Sialovan**

The Senior Student Council represents the entire student body in problems of school government, and has charge of the athletic program, school dances, assembly programs, and students on hall duty. Meetings are held once a month. The Student Council also endeavors to raise the standards of scholarship, to secure a greater co-operation between students and the faculty, and to create a spirit of greater loyalty to the High School.

For the offices of Mayor, Secretary and Treasurer, students are nominated each spring by an electoral college consisting of two members from each of the upper four grades. A general election is then held. The aldermen are elected by homerooms each autumn. The appointment of the chief of police is made by the Mayor and ratified by the council. This year, the council is headed by Mayor Clayton Graham, Secretary Florence McCluskie, Treasurers Alfred Sialovan and Charles Cole, and Chief of Police, Tom Gross.

JUNIOR STUDENT COUNCIL

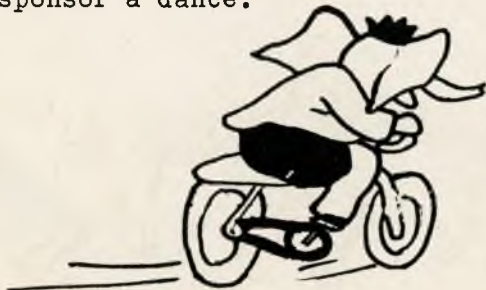

Proctor Schnute Ruttan German Gunsell
Poulos Cansfield Wilson Gillner Mrs. Cooke

JUNIOR STUDENT COUNCIL

President William Cansfield
Secretary John Poulos
Treasurer Barbara Ruttan
Chiefs of Tulane German
Police Jack Wilson

The Junior Student Council, consisting of eight students of the seventh and eighth grades, has sold school emblems, flower and vegetable seeds, and is now making "pep" pins.

Later in the school year the council will sponsor a dance.

Pardy
McCluskie Goza Vogtlin Rodgers Wooton Wooton Bailey Grieger Johnston Clark

The band this year is composed of fifty-nine Junior and Senior students, under the direction of Mr. Leslie G. Lee

The year's activities included two indoor concerts, a series of summer concerts, home football games and assemblies. The band is continually striving to play a better type of music.

The requirements for a band letter are two years' service and at least a sophomore standing.

The choir of Northville High School for 1946 is the largest we have ever had, numbering ninety-five members.

The choir has been very active this year. It has made appearances before the D. A. R. and Rotary Club, and has given its annual winter concert.

Plans are in progress for the annual Spring Concert and it is hoped that all members can attend the Music Festival in Ann Arbor.

The Aquilae Romanae is the oldest of our language clubs, being instituted by Miss Palmer in 1932. The purpose of the club is to promote a feeling of good will and friendliness among Latin students and to learn something of Roman life.

Every fall the new members are initiated at the Roman Banquet, where members wear authentic Roman costumes and are "wined and dined" in the traditional Roman manner.

A meeting is held each month. Two of these meetings include the Annual trip to the Archeological Museum in Ann Arbor and the fall picnic.

The Home Ec. Club whose purpose is to interest girls in the home life of America, has affiliated with the Future Homemakers of America, a national organization. The first meeting was held in Romeo, where several of the officers represented our group.

Many events have been scheduled to raise money. Among these are a dance, candy sale, bake sale, and the sponsoring of a carnival in which all clubs will participate. The selling of pencils is one project which has already been successfully carried out. The club has also given parties and dinners for the enjoyment and entertainment of the members.

The Biology Club was organized in 1941 to further the interests of the students in natural science and to create cooperation between students and faculty.

When the club was first organized, membership was limited to 20 students but it has now expanded to an enrollment of 50 making it one of the largest organizations in school.

At the beginning of the school year we held an initiation party. Later we held an assembly program, and a dance, which was a great success. Other activities have been planned for the future. Club pins have also been bought.

LIBRARY

 1st Semester Evelyn Cranson
 2nd Semester Marjorie Hancock
 Treasurer Dorothy Stremich

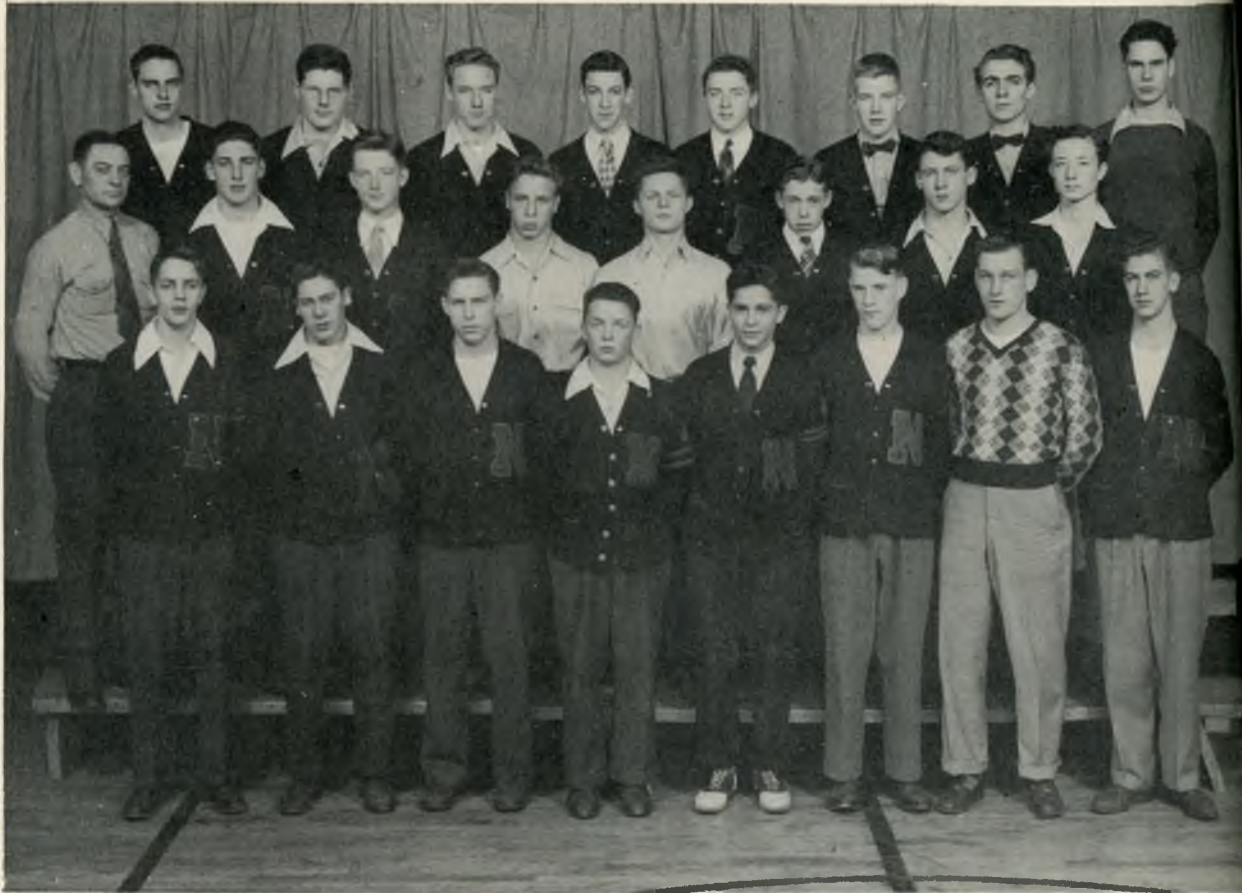

The Library Club, which consists of 17 members, was organized for the purpose of giving better service to the students. It is open to all Senior High students who are interested in books and in library service. Our pins are silver, in the shape of open books with guards representing the torch of learning.

Unity of service is developed in our Tuesday morning meetings with the guidance of our officers. At these meetings we try to settle social affairs and solve problems that come before student librarians.

Since our library has been enlarged, the club has supervised the purchase of drapes and many new books. The art committee has kept displays in the cases in the lower halls. Esther Stanford, chairman of this committee, was aided by Marjorie Hancock and Stella Poulos.

N CLUB

GIRL'S ATHLETIC LEAGUE

For many years there has been no athletic program for girls in Northville High. At the beginning of the school year it was found that a large number of girls were interested in having a sports program. Organization of an intramural system was begun under the leadership of Miss Burrell, and has been continued with the help of Miss Lance and Miss Lockwood, who have given generously of their time and ideas.

More than sixty girls have participated in the program which includes bowling, volley-ball, tennis, and softball. At the end of each sport a tournament is held between the teams. The girls intend to have a picnic at the end of the year.

Letters will be given to those who earn twenty-five points, according to the system which grants between seven and ten points for each sport in which a girl participates.

The program has proved both enjoyable and beneficial and we hope that next year, with our experiences to guide us, it will be even more successful.

PEP CLUB

President. Stella Poulos
Vice President. Marcella Brady
Secretary. Dolly Porritt
Treasurer. Dolores Blackett

The Pep Club consists of all the present cheerleaders. This is the first year that such a club has been organized.

We wish to thank Miss Burrell and Miss Lockwood for their help.

To improve the regular cheering activities, we have added some acrobatics which have increased the interest and originality of the cheers. A dance was also given, the profits of which will be used for uniforms. A banquet given by the underclassmen for the Senior cheerleaders is an annual affair.

We shall be looking forward to the continuation of this activity next year.

With 55 enthusiastic football candidates on hand, Northville's opening practice was held September 1, 1945. After a brief conditioning program our new coach, Mr. R. W. Doeksen, introduced his vaunted modified T-formation attack. Because of the boys' lack of knowledge and experianee this system was slow in developing but as the season progressed, it blended into a smooth-working, successful attack.

In the season's opener our boys earned well-deserved praise in tying the the favored Keepo Harbor Presidents 6-6. In our next encounter we journeyed to Milford and sustained 13-7. Holly was surprized by our boys who showed great improvment, tying the powerful aggregating games, defeating Brighton 6-0, after losing to Farmington 19-0. We concluded our season by losing 23-13 to Walled Lake, the Champions of our League. Despite many bad breaks our mustangs put in a successful season.

Freshman Football

The future gootball stars of N. H. S. are these Freshamn boys who have been faithful, diligent workers during forty six. Although receiving little recognition compared with the varisty team these boys have not been discouraged and have shown their skill and ability in competing with the freshman teams of Farmington, Plymouth, Clarenceville, Redford Union, and Walled Lake. Due to their success we can look forward to more experienced varsity reserves next fall.

BASKETBALL

Mr. Doeksen Pottinger Graham Stison
Schoultz Nitzel Lister Snow

"Short on height and short on experience" sums up the 1945-46 edition of our basketball team. Experience was gained, and towards the end of the season our boys were outplaying their opponents, but losing because of that lack of height. Despite only two victories for the season, we believe we can be proud, because, although almost hopelessly handicapped, the boys never quit.

Led by Captain Dean Nitzel, six returning lettermen make next year's prospects very bright.

FRESHMAN BASKETBALL

Rose Charron Wall Kremkow Doren Frid
Mr. Smith Schultz Tiffin Stalker Kazarian Branch Hay
Stovall Wick Siclovan Petrie McLellan Small

In spite of keen competition throughout the season the Freshman team succeeded in winning two out of eight games against opposing players that were considerably larger.

Of the games played, two with each school, the team succeeded in winning both against Walled Lake, while losing to Farmington, Plymouth and Redford Union.

TRACK

With a squad of 23 boys this Spring we have doubled the size of our 1945 team. We are competing against Milford, Walled Lake, Farmington, Plymouth, and will enter the League Meet in Ypsilanti.

There are boys entered in each of the following events: 100 and 220 yard dashes, 120 and 200 yard hurdles, quarter-mile, half-mile, and mile runs, the half-mile relay, high jump, broad jump, shot put, and pole vault

Our Baseball team opened its 1946 season on April 18. After concluding a month of intensive practice interrupted somewhat by weather conditions, Coach R. W. Doeksen nevertheless managed to field a formidable nine for the opener. Charles Cole, Ben Lister, Ed Robinson and Gene Rutenbar were the returning regulars, and again held regular positions. Other infielders were Bob Campbell, Dean Mitzel and Bill Stison. Outfielders: Lee Butcher, Clayton Graham, Bob Hansor and Lester Ward, George McCollum performed the catching duties. On the mound were Cole, Lister and Ward. Determined to better last year's record, Northville put in a successful season.

EIGHTH GRADE BASKETBALL

Stison: I think my girl is going to be a chemist.
Merithew: Why?
Stison: Every time I take her out she turns gold and silver to copper.

Goudeseune: An awful lot of girls are stuck on me.
Stephens: They must be an awful lot!

Lockhart: Then this is final?
Stanford: Absolutely! Shall I return your letters?
Lockhart: Please do. There's some very good material in there that I can use again.

Simons: Can a person be punished for something he hasn't done?
Mr. Harrison: Of course not.
Simons: Well, I haven't done my Trigonometry.

Clemens: What's that?
Croll: A chrysanthemum.
Clemens: Looks like a rose to me.
Croll: You're wrong. It's a chrysanthemum.
Clemens: How do you spell it?
Croll: K-R-I-S---You win, it's a rose.

In bygone days
It was the craze
To dress like Mother Hubbard;
But coeds now
Dress more, I vow,
Like Mother Hubbard's cupboard.

Teacher: Iceland is about as large as Siam.
Johnny: Aw---I bet you don't weigh over 130.

Barber: Did you ever take chloroform?
Hines: No, who teaches it?

Mr. Yahne: What is the meaning of the word space?
Koontz: Well, it's something where there isn't anything. I can't describe it exactly, but I have it in my head.

Dinner guest: Will you pass the nuts, Professor?
Professor: Yes, I suppose so, but most of them deserve to be eaten.

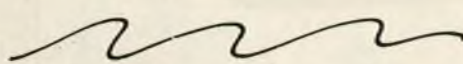

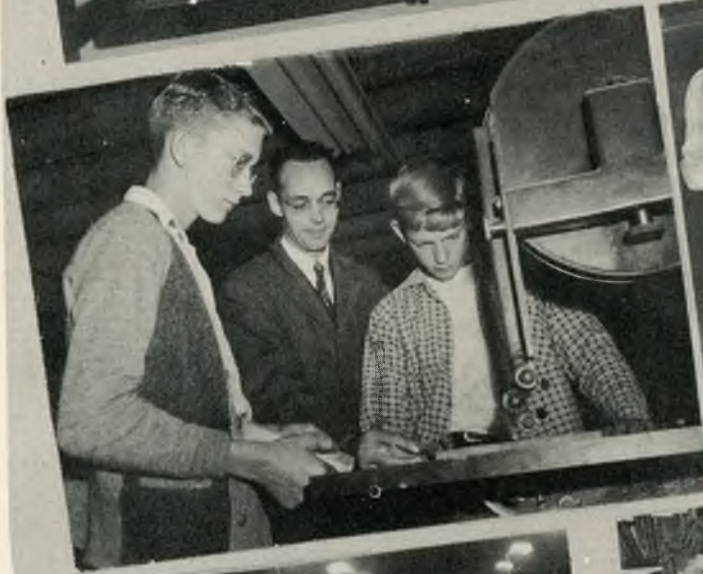

Poulos: Which would you rather be in, an explosion or a collision?
Nelson: A collision.
Poulos: Why?
Nelson: Because, in a collision there you are--but in an explosion where are you?

Miss Vickland: Give me a sentence with an object.
Streng: Teacher, you are very beautiful.
Miss Vickland: What is the object?
Streng: A good mark.

Mr. Lee: No, no! Only the tenors! The rest of you just hum. Now don't forget, the tenors sing alone until we come to the 'gates of Hell;' then you all come in."

We, the Class of 1946, wish to take this last opportunity to thank our teachers for their interest and assistance during our years in high school. With Commencement, we are just beginning our greater education, during which we shall often look back to these happy days.

Our thanks go also to the Junior Class for their welcome assistance at our graduation exercises. And now, to NHS we say

F A R E W E L L
