DEDICATION

In gratitude for the guidance and assistance they have given us, the Class of 1948 dedicates this yearbook to our teachers. We want them to know that we appreciate their thoughtfulness and personal attention, and that we will always remember their cooperation in helping us over the rough spots during our years in school.

EDWARD ROBINSON

PRESIDENT'S MESSAGE

We the class of 1948 wish to thank all our principals, superintendents, school board members and teachers for the kindness and patience they have shown us in our twelve years of schooling.

We feel that our class activities were not only enjoyable and profitable but helped us to become better citizens. We are the net results of all our yesterdays.

After Commencement we will go in different directions, some to continue school, others to work. We hope and plan to grow into responsible and useful people.

This being our last year together the class of 1948 bids farewell to all the teachers and students of Northville High School.

Robert German

CLASS HISTORY

The forty-eighters were warming up early for the '45 season. Captain Myron Whipple and co-captain Lois Overman started the season out in high gear. Bill Gross was official score keeper and Kay Perrin was in charge of receipts and expenditures. The team was under the management of Miss Lucht and Miss Garlick. After an undefeated season we celebrated by sponsoring the last dance of the year, namely: the June Bug Bounce.

The '46 season was opened with our only girl captain, Joanne Keiser, heading the activities, with the assistance of Gene Rutenbar, Bill Gross, and Yvonne Mac-Murtrie. We had another undefeated year with the aid of coaches Miss Lance and Mr. Miel. With the proceeds of the season we donated \$75.00 for the Public Address system. The big events of the season were the Sophomore-Freshman party and a dance in December. We were in there pitching too when the Student Council sponsored a carnival.

Everyone was excited early in our third season when the class rings arrived. The big four of this season were Bob Rucker, Marilyn Brummel, Helen Sweeney, and Dorothy Grieger. We were under the leadership of Miss Giltner and Mr. Miel. Our treasury was boosted to \$499.50 this season by the sale of magazines and pennants. Everyone worked hard on our J-Hop, the theme of which was "Moonlight and Roses". The whole team pitched in to help give our Junior play "That Crazy Smith Family" coached by Miss Vickland.

Our captain Bob German led us through our last and most remembered season toward graduation. His team mates in charge were Mac Pierce, Nancy Boyd, and June Richardson. Mr. Yahne and Mr. Mollema ably coached us through the year. Late in October our Senior pictures were taken and soon after the measurements for our caps and gowns were made. On November 28, we sponsored our last formal dance with the theme of "Showboat". The music was supplied by Nate Fry and his Orchestra. Shortly after the start of the second semester we began work on our yearbook, the Palladium, collecting scads of news and views to be remembered by everyone. There was "murder" in the halls of N. H. S. April 8 and 9 when we presented our Senior play "Home Sweet Homicide" directed by Miss Scherer. Our Senior trip carried us away to the far off island of Mackinac on June 2, 3 and 4. We acquired many new friends on the good ship Noronic. We returned in time to recuperate and prepare for Baccalaureate on June 6, Class night on June 8, and our final goal, Commencement on June 10.

We the team of "48" leave behind memories cherished by all the members of our class. We wish that the up and coming teams of N. H. S. will have as successful and happy seasons as we have had. We especially wish a lucky season to the present Junior class. Farewell and good luck.

The Senior Student Council, affiliated with the Inter-Lakes Student Council and the National Association of Student Councils, is the governing body of Northville High School. It consists of seven committees: Civic Improvements, Ways and Means, Police, School Activities, Finance, Public Health, and Welfare.

The Council sponsors dances and special assemblies including chapel services for Thanksgiving, Christmas, and Easter and programs for other special days. A box was placed in the office for student suggestions. Our Council took part in the "Inter-Lakes Leap" held in Farmington February 21.

The staff members of the Palladium hope that these pages will recall happy experiences and arouse pleasant memories. If our efforts have accomplished these objectives we will consider our work worthwhile. We have all enjoyed the hours spent working on the Palladium. We sincerely thank Mr. Yahne, Mr. Menees and his mechanical drawing class and others who have so willingly contributed their time and patience in making this year's Palladium possible. Our thanks also to the businessmen whose advertising has helped make this year's Palladium both better and available to more students.

This year's Choir of 85 members under the direction of Mr. Leslie Lee is accompanied by Marcia Sparling and Corine Clark.

The annual mid-winter concert was given on December 11, and included Christmas music. The choir sang several numbers for the school Christmas program. Our operetta, "The Gondoliers" by Gilbert and Sullivan, was given in May.

BAND

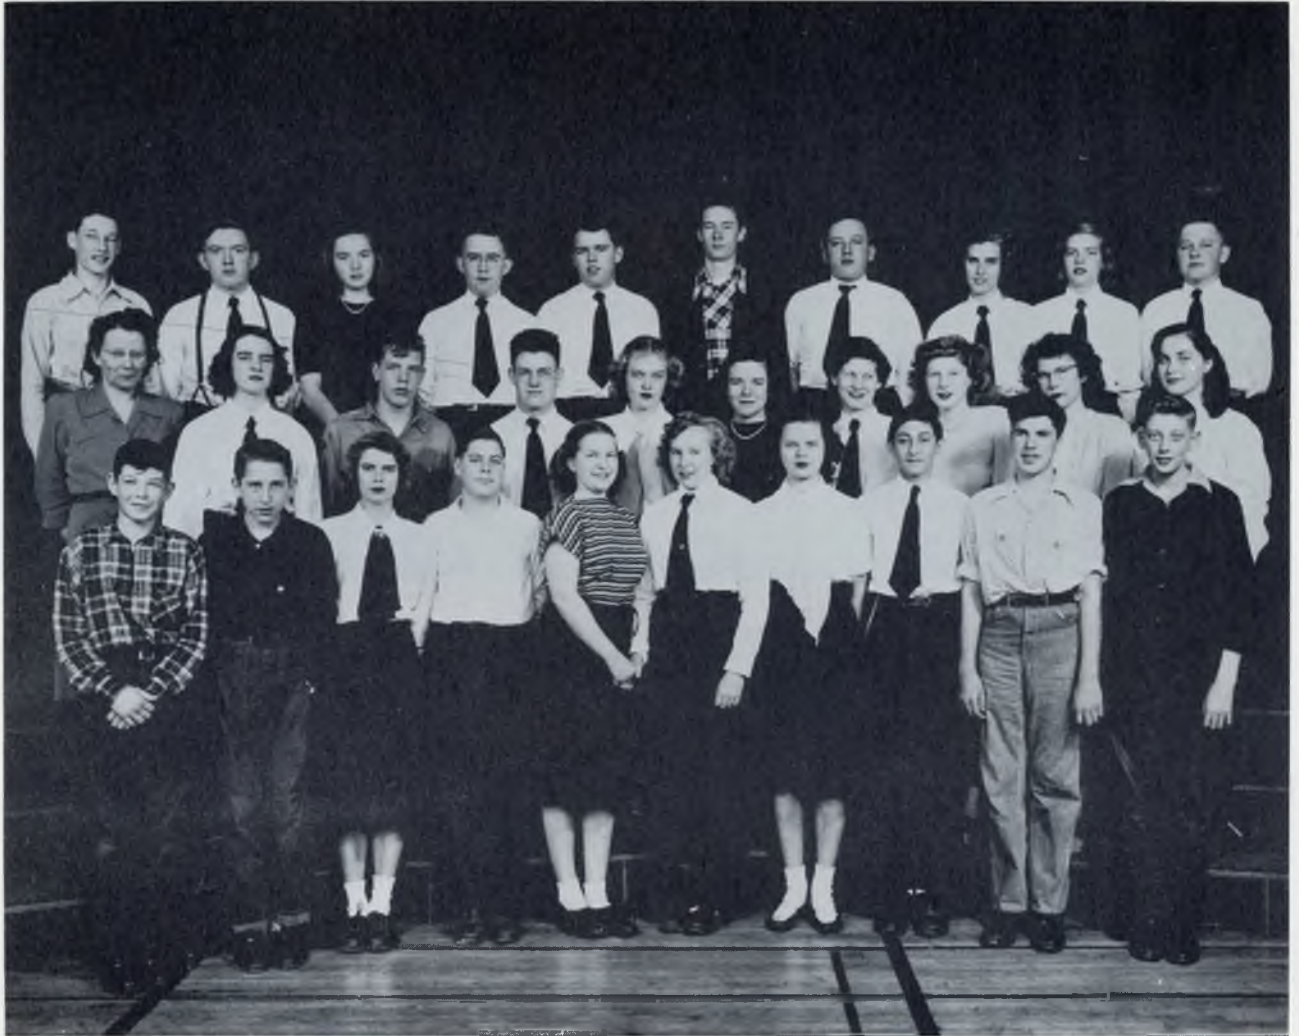

Director--Leslie G. Lee
Drum Majorettes--Delores Blackett and Grace Porritt

The Band, composed of 68 members and directed by Mr. Lee, started off the year with new uniforms given by a generous local organization. During the year many new instruments were purchased, including a bass clarinet and a bassoon.

The first public appearance this year was at the Legion Parade in Detroit July 5. During August the band presented in the Village Park a number of concerts which were enjoyed by many townspeople. The band took part in the parade at the State Fair and presented a concert in the shell on the fairgrounds. The members enjoyed many privileges and had a very good time. At South Lyon's Homecoming, the band took part in the parade and presented a concert in the afternoon. Many new marching formations highlighted the football games, and they presented two concerts during the school year, one in February and one in April.

The Latin Club, oldest language club in Northville High School, was organized by Miss Palmer to promote a feeling of good will and friendliness among the Latin students and to teach something of Roman life.

New members are initiated every fall at the Roman Banquet, where everyone wears authentic Roman garb and is "wined and dined" in Roman manner. The club holds monthly meetings, two of which are highlights of the season. They are the annual trip to the Archeological Museum and the fall picnic.

SPANISH CLUB

Lees, Lanning, Smith, Kazarian, Rossi, Olivich, Woodruff
Wood, Bird, Ford, Stewart, Vogtlin, Blackett
Searfoss, Sparling, Mr. Yahne, Peters, Wood

President. Edward Kazarian
Secretary-Treasurer Marie Searfoss

The Circulo Espanol has been organized since 1943. The purpose is to provide outside activities for past and present Spanish students.

The seventeen active members sponsored a dance April 2, featuring a floor show during intermission. The gymnasium was festively decorated in true Spanish tradition. A hayride and dinner party made a perfect ending for the year.

FRENCH CLUB

Bell, Sackett, Rakestraw, Morel
Lemmon, Karschnick, DeJohn, Westerfield
Miss Palmer, Bemish, Hansor, Shamee

President. Evelyn Westerfield
Vice President Marjorie DeJohn
Secretary. Gail Bemish
Treasurer. Joan Morel

The members of the French Club meet socially and study French customs. To achieve this purpose they have had movies and slides depicting French customs and scenes of the French homeland, and a trip to the French section of the Museum of Arts in Detroit.

The Club has several parties and social gatherings every year, the most important of which is the Christmas Party, celebrated according to French customs.

LIBRARY CLUB

Ault, Powell, Bennett, Bonar, Waterman

- President. Dolores Secord
 Vice-President Jean Stevens
 Secretary. Eunice Utley

Miss Palmer organized the Library Club in 1942 for the purpose of training students to assist in the school library and to become acquainted with good books and periodicals. The meetings take place every Tuesday morning.

This year was started with a picnic for the new members. A trip to the Ann Arbor University High School Library helped bring new ideas for improvement of our own library. Our budget has been increased, making possible the purchase of new books for teachers and students. During Book Week a large supply of books especially ordered for Book Week were displayed in the corridor show cases.

The N-Club is trying to promote greater interest and participation in all interscholastic sports, and hopes to bring the sports of lesser popularity to an equal status with the other sports of the school. The N-Club will also try to iron out the flaws in the award system, by setting up a more standardized means of giving awards for both boys and girls.

Requirement for admission to the N-Club is the winning of a varsity "N" in accordance with the rules of the Athletic Board. Activities for this year consist of selling programs at football and basketball games and sponsoring a dance. These activities help build up the club treasury and a banquet is given later in the year to "tear it down."

SCIENCE CLUB

The Science Club, organized in 1941, was originally called the Biology Club, and only Biology students were allowed to join. Under the new title any student who has taken a science course is qualified for membership.

In a general assembly program, given on December 10, 1947, the club presented a representative of the Du Pont Company in a talk on plastics.

January 8, 1948, the new year's activities began with a party in the high school gymnasium and the club sponsored a dance January 30 following the Farmington basketball game.

November 14 marked the opening night of the smash hit "We Shook the Family Tree", a Junior play under Miss Scherer's direction.

The play was a light comedy centered around Hildegard Dolson's teen-age scheming, which nearly cost Father his job, certainly exasperated Mother, and caused much teasing by her brothers. However, she won her date to the Prom with Freddie Shermer whom she once thought hopeless.

The scene of "Home Sweet Homicide" is the garden of the Carstairs home. The three children plot to have their mother, who writes mystery stories, solve a real-life mystery, and hope to get her married again. Strangely enough, a woman is killed next door. The police lieutenant in charge of the case is handsome and unmarried.

Among the suspects are Wally Sanford, the victim's husband; Mr. and Mrs. Cherington, society leaders; Polly Walker, a movie star; Cleve, her boy friend; and Frankie Riley, a racketeer.

Eventually the children solve the murder and things end happily as usual.

The Photo Club was organized in the fall of 1946. The purpose was to develop a greater interest in photography and to encourage the members to do their own processing of film and prints. This year the club has been assisted financially by the Recreation Committee. Mr. and Mrs. Clyde Hinman worked with many members in the darkroom and sponsored print contests.

The club gave a dance in December to raise money for an enlarger. The members also had an exhibit at the Hobby Show.

OPERETTA

Dahlager, Grieger, Mr. Lee, Gray Stewart, Perrin
Rucker, Searfoss, Sparling, Clark, Ford, Connors

Our operetta, given in May, was "The Gondoliers." The setting is Venice and Barataria. Two gondoliers are told that one of them is the King of Barataria. They find that the King was married in infancy to Casilda, the daughter of the Duke and Duchess of Plaza-toro. The gondoliers are already married to Tessa and Gianetta, girls from Venice. Casilda is secretly in love with Luiz, her father's drummer-boy. While this tangled state of affairs is being straightened out, the gondoliers appoint their republican-minded friends to many post, equalize all stations. At last the Grand Inquisitor finds Inez, the King's former nursemaid, who identifies the King as her "son" Luiz. The gondoliers and their wives return to Venice and Casilda and Luiz live happily as King and Queen of Barataria.

An adult group provided instructions in square dancing so that the teen-agers could enjoy this old American past time as well as modern dancing.

During half-time the High School Band displayed colorful programs of music and marching. Of the 1947 squad there are seven Seniors graduating and the majority of the 1948 squad will be Seniors and Sophomores.

The Northville High School Athletic Board, composed of the Principal, Athletic Director, Director of Girls Athletics, and coaches of all sports, is authorized by the Superintendent of schools to determine athletic policies for Northville High School.

The Board is interested in doing everything within its power to provide an adequate sports program, stimulate school spirit and promote good sportsmanship.

During the school year 1947-1948 the Board has authorized the spending of more than \$3,000.00, all of which was taken in as admission at athletic contests.

Aside from new equipment the Board has voted a considerable sum toward paying off the debt on Henry Ford Field, the control of which has recently been given to the Board of Education.

Since last year's revision of the athletic program for girls under the direction of Miss Lance and Mrs. Sawyer, the Girls' Athletic League has grown steadily in numbers, with Miss Bolander as our new sponsor.

The girls have a variety of sports to choose from. Among these are volleyball, basketball, bowling, soft-ball, and tennis. Tournaments are held between the different teams in the club at the completion of each of these sports.

A new point system has come into use this year, requiring five-hundred points for a letter which can be obtained by participation and attendance.

The girls planned hikes as a part of their program and closed the year with a party. The G.A.L. is one of the largest clubs in the school, and we hope that it will continue to function as successfully as it is doing now.

 Pullen, Newton, Cole, Shrake, Heslip, Mr. Russell
 Robinson, Prom, Maloney, Porter, Gunsell, Heaton

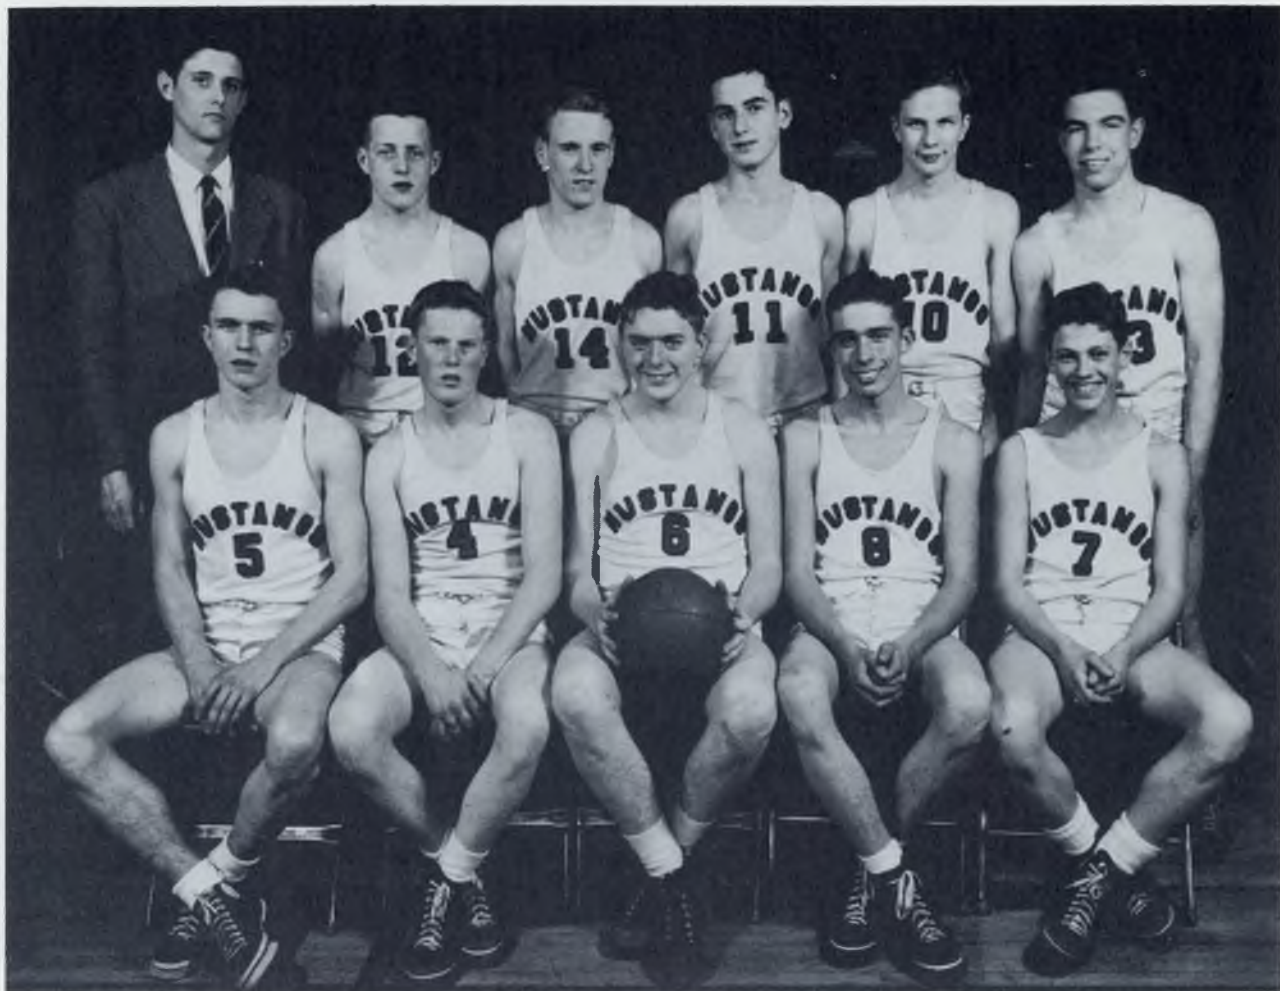

This year's second team, coached by Mr. Helmer, ended the season with 4 victories and 10 defeats. Although hindered by their size the little Mustangs fought gamely against opponents often much larger and more experienced.

Two of the outstanding contests were the Milford game, won in the last seconds, and the Plymouth game, a nip and tuck affair all the way with the score being tied many times before Plymouth won by a single basket.

The schedule follows:

Northville	23	Brighton	17	Northville	20	Walled Lake	45

Proceeding to Oxford to compete in the regionals we lost to Oxford 39-43.

The opening of the 1948 Track season found Northville's team reporting for workouts March 22. Due to unfavorable weather conditions the Gymnasium was used for the first two or three weeks. Of the 37 fellows out for the first practice eight are returning lettermen and eight are members of this June's graduating class. This year's track team plans to have meets with Holly, Farmington, Milford, Walled Lake and Plymouth. Northville Downs Race Track on the evening of May 26.

BASEBALL

Mr. Helmer, Shrake, Pullen, Heaton, Gray, Menge (Mgr.), Niven, Stalker, Stover, Kremkow, Pottinger, Rutenbar, German Robinson

This year's baseball team started the season with five returning lettermen from last year's championship nine. Coach Helmer had ample material to choose from in filling the positions vacated by last year's seniors.

A new experiment this spring was the formation of a second team for freshmen and sophomores, designed to give the boys more opportunity for participation, and less bench sitting. Several intersquad games were played to prepare the new boys for competition.

The Varsity Schedule:

There is a membership of nine girls. New yells and formations, colorful uniforms and co-operation of the student body added to the school spirit. Since there is only one cheerleader graduating, you'll see most of the girls back again next fall to lead you to another record high in school spirit.

This year, the Northville Golf team under the direction of Mr. Meaker was again fortunate in obtaining the Meadowbrook Country Club as their home course.

The team has also competed in more inter-scholastic meets this year than last and hopes to compete in still more next year.

The return lettermen were George Barker and Charles Toussaint. Other members included Bob Freydl, George Locke, Leonard Howard, Duane Branch and Edward Lanning.

Golf is becoming increasingly popular in Northville and it should grow.

Last September the driver training course was introduced into Northville High School. The course, under the instruction of Mr. Russell, was established to help the students form better driving habits through driving and classwork. At present the class is composed of 32 members. German and Pottinger, Campbell
and Pierce,
They're gone from the Mustangs--
The loss will be fierce.
But good old Coach Russell
Will have boys that hustle,
With Stovall and Stalker,
That sharp-shooting pair.
With Kezzy, and Gray, and Kremkow
in there.
The '48 Mustangs thrilled us but
then--
OUR '49 MUSTANGS WILL DO IT AGAIN.

Holden: Why do authors always say "a smile crept over her face?"

Mr. Yahne: Because if it went any faster, it would kick up dust.

If they aren't careful in Chem-
istry lab,
We'll all be laid out on a cold
marble slab.

Chemistry

Sing a song of sulfide
A beaker full of lime,
Four and twenty test tubes
Breaking all the time.
When the top is lifted,
The fumes begin to reek.
Isn't that an awful mess,
To have two times a week?

Mr. Pillon: "Tell me about
nitrates."

Toussaint: "Well, they're
cheaper than day
rates."
