## 1958

NORTHVILLE HIGH SCHOOL  
NORTHVILLE, MICHIGAN

Architect model of the New High School

All of us are looking forward to the new high school which will be completed some time early in 1959. It will be located directly behind the Amerman Grade School. The price will be approximately \$1,850,000.

The ground breaking ceremonies for the building were held March 14, with Mayor, Dick Stuber, turning up the first piece of sod. Mr. Ellison expects to have six hundred and fifty students entering the school upon its completion. At first it will be used for grades nine through twelve, but as the number of students increase, it will be used as a Senior High School and a Junior High School will be built for grades seven through nine.

The new school will have many facilities that this one does not contain. It will have a lunchroom and cafeteria facilities. Educational and vocational counselors will be on hand for the benefit of the students. Both the home economics and driver training facilities will be greatly expanded. There will also be much improved music rooms which will be acoustically treated. It will include an auditorium with six hundred fifty theater type seats. The gym will be large enough so that it can be divided into two full sized basketball courts - for boys and girls. For sports, there will be a baseball diamond, a football field, a track, and tennis courts. There will also be a parking lot big enough to hold 300 cars.

Mayor Dick Stuber breaks ground while club and class Presidents look on before taking their turns.

# SENIOR HISTORY

For our first year in high school, the class of 1958 chose Mr. Williams and Mr. Jones as sponsors. Officers were: President Cap Pethers, Vice-President Ben Mosher, Secretary Janet Malott and Treasurer Sandy Strasen. During the year, we held a candy sale, box social, freshman dance, bake sale and worked on our homecoming float. We ended the year with a class party at Jim Hammond's which turned out to be an annual event. We had \$228.23 in our treasury.

Officers for our Junior year were: President Dick Stuber; Vice-President Bill Yahne; Secretary Mary Hill; and Treasurer Ed Wittenberg. Special projects included: the magazine sales, selling photo albums, the J-Hop, and the Junior play. The theme for the J-Hop was "Moonglow". "One Foot in Heaven" was the play we presented. The Junior-Senior Banquet ended the year for us with \$1,492.02 in our treasury.

In the tenth grade Mr. Jones and Mr. Van Ingen became our class sponsors. They continued as sponsors for the remainder of our high school days. We chose Bill King as President Jim Hammond as Vice President, Mary Hill as Secretary and Ed Wittenburg as Treasurer. For projects we held dances, sold wrapping paper, telephone jotters and had a car wash. When Bill left school, Jim took over as President and Dick Stuber was elected the new Vice-President. Toward the end of our Sophomore year, we ordered our class rings. We wound up this year with \$1,073.40.

At the opening of our final year at Northville, the class chose Jim Hammond as President and Mike Willis as Vice-President. Mary and Ed were again our secretary and treasurer. Our Senior play "George Washington Slept Here" was a big success. Excitement ran high when we ordered our Senior pictures, graduation cards and announcements. For Homecoming the school chose two queens from the Senior Class: Betsie Merriam and Priscilla Hilton. The Senior Prom, with the theme of "La Mer" brought our Senior year to a close. We ended with approximately \$2,300.00 to pay for our combined New York-Washington trip.

"GEORGE WASHINGTON SLEPT HERE"

# SENIOR TRIP

The Class of 1958 was the first to visit both Washington D. C. and New York City. From May 11 through May 15, we admired many interesting sights. The class spent one and a half days in Washington seeing many educational and historic spots. Another one and a half days were spent in New York City where we took several interesting tours.

In Washington, we stayed at the Lee House; and in New York, at the Taft Hotel. The trip was very enjoyable and educational; one that we'll never forget!

The Student Council strives to improve school conditions, to promote greater co-operation between the teachers and students, to provide special services for the students, and to settle any problems that might arise. Through representatives from the home rooms, the students voice their opinions and problems. Dick Stuber was elected to the office of Mayor. Other officers included: Elsa Couse, secretary; and Ray Dahl, treasurer. Their sponsor is Mr. Stefanski. Our Student Council is affiliated with the National Association of Student Councils, and Wayne-Oakland County League Council in which Dick was elected vice-president and Elsa secretary.

The major activities of the council included providing assembly programs, arranging chapel services, and sponsoring a Junior Rotarian each month. The members took part in the "Teens Against Polio" campaign, with all proceeds going to the March of Dimes. The officers attended a state-wide meeting of councils in Ann Arbor and discovered that our school was fortunate in that our problems are relatively minor. They participated in League Student Council activities and for exchange days visited Holly and Milford, while Bloomfield Hills and Brighton students came to Northville.

Several new ideas were introduced this year. A policy for the assigning of dances was developed. The one way stair system was enforced, and hall-way traffic rules were devised to ease our crowded conditions.

This year the debate squad was again very successful. Early in the year practices were held with Farmington, Lansing Eastern, Belleville, and Hazel Park. In addition, the team traveled to Wayne State University and the University of Michigan for debate clinics. After this preparation, the debators went on to tie with Brighton for first place in the league debate competition. The regional debate tournament was held late in February with Northville acting as host. After three rounds of debating, our team emerged victorious for the second time in three years, thus qualifying us for State-Quarter finals.

## "THE DEFIANCE OF DAVID CHARLES"

A tragic crisis has come between David, a sullen and defiant teenager, and his father, a self made man who expects a great deal of his son. David begins to feel he hates his father. David's feelings against his father are increased when Mr. Charles, who is competing for a contract for the new school contemptuously brushes aside David's suggestion for an improved locker room. Angry and disappointed, David fights with his girl, Faye, and another schoolmate. He rebuffs any help from teachers as he feels he must prove to all he is not a failure. It is a tense, exciting play with much lively comedy.

# PEP CLUB

One of our important jobs each week was to make signs for pep meetings and games in the Community Center Gym.

This year the Pep Club has become more unified because of the formation of a new constitution. This is the first year we operated under such a statement of purpose.

The officers for this year were: President-Mary Hill, Vice-President-Ruth Clarke, Secretary-Jayne Hammond, and Treasurer-Mary Ebert.

Some of our weekly projects included making pep signs, planning pep meetings, making pep slogans to wear, and slogans to put on the player's lockers. In cooperation with the Student Council; we also provided food for and served the players after football and basketball games. This year the Pep Club adopted a Mustang mascot known by everyone as "Sure-Win," and made by the Art students in the Pep Club.

Annual projects included joining with the N-Club to present the annual Homecoming Dance. We sold "shakeroos" during the football games and after school. On February 7, we held our initiation.

# N CLUB

Attendants: Barbara Kruger and Barbara Mapes; Queen Priscilla Hilton; Last year's Queen Judy Junod; Queen Betsie Merriam and Attendant Sharon Hensch

This year the N-Club elected Bill Yahne as President; Bob Niemi - Secretary; and Dennis Fallon - Treasurer. In order to join the club, the boys need to win a varsity letter. The days of the initiation will be long remembered by all.

The club has enjoyed many evenings of eating and recreation, including a joint evening of fun with the Pep Club. We went, as a group, to sporting events in Detroit. During the year we have sponsored a Donkey Basketball Game and used the profits to help pay for football films. We also sponsored the Homecoming events and the Queen Contest. Another event to which we lend a helping hand is the annual P.T.A. Carnival.

Under Coaches Schipper and Van Ingen the 1957 Mustangs produced an eventful season of eight victories and one defeat, winning the League Championship for the second consecutive year. In league play the Mustangs have won 17 games in a row. Dick Biery and Bill Yahne were chosen as honorary Co-captains and Dick Stuber won the Sportsmanship award. Dick Biery was voted our Most Valuable Player.

The 57-58 Mustangs produced an eventful and successful basketball season, finishing second in the Wayne-Oakland League with 11 wins and 3 losses. At the district tournaments, the team defeated Flatrock, but was halted by Willow Run. Credit is given to Coach Stan Johnston for inspiring sportsmanship and a fine team spirit.
