Dedication

IN APPRECIATION OF EXTRAORDINARY SERVICE THE PALLADIUM OF 1964 IS DEDICATED TO MR. MERRITT MEAKER AND MR. LESLIE LEE:

MERRITT MEAKER

In his years as a history teacher at Northville High, Mr. Meaker has become a legend. His traditional method of teaching is spiced by modern twists, such as his famous progress reports, Tuesday quizzes and Friday homeworks. Through his knowledge and enthusiasm for history, he has enlivened the course for hundreds of students. Now the students wish to dedicate a progress report to him: "It looks pretty good across the board."

LESLIE LEE

With a song in his heart and a patient smile on his face, Mr. Lee has conducted the Northville High School choir and band for years. Each fall he has taken a new batch of students and, magically, turned them into a polished chorus by Thanksgiving Chapel. An essential part of the holiday season is the Christmas concert. Even in the spring, Mr. Lee and the choir are busy presenting an operetta before capacity houses. To Mr. Lee the students dedicate a chorus of best wishes and thanks.

The All-League Band is composed of the fifteen best players from each of the League's eight bands. Each conductor then chooses one number to perform at the band's two evening concerts and two school assemblies. In the past two years the Northville Jazz Band has played at the concert and assembly intermissions.

Northville's Music Men - Mr. Lee and Mr. Williams - led the 110-piece band through one of its busiest years. First, of course, was marching season, augmented this year by the Jaycees' International Marching Exhibition and two Thanksgiving parades. Next was the band's annual candy sale. This year the profits were used for a new concert bass drum and gong. In January, the band gave its winter concert, featuring a student woodwind quintet and clarinet trio. In February the band sent the two ensembles and two soloists to the Solo-and-Ensemble Festival in Royal Oak. In March

the concert band competed in the District Band Festival in Royal Oak and received a straight "1" rating for the first time in three years. This permitted the band to attend the State Band Festival in Lansing in April.

The purpose of F.T.A. is to give encouragement leadership and fellowship to those young people interested in making a career of teaching. To achieve this goal many of the members have been cadet teaching at the Amerman Grade School.

Our Christmas program for the children at Our Lady of Providence proved particularly interesting for those members going into special education. Other activities were our annual banquet, candy sale and workshops.

A Herculean task confronting librarian Mrs. Sullivan is the work involved in indexing, filing, typing, selling, checking . . . Without the help of Library Club members, the job would be nigh impossible. The club also stages an assembly each year during National Library Week which is for the benefit of the student body.

The Pep Club's main objective is to arouse school spirit and good sportsmanship by pep assemblies, signs, and enthusiasm. This year many new ideas have found themselves applied to locker signs or bulletin signs. The highlights of the year were Homecoming, which the Pep Club pretty much takes over, and initiation. Initiations lasted for two days during which time the girls were told either to sing the school song during lunch or ask some athletic hero to marry them. During the year the club finds ways, such as dances, to earn money to send as many cheerleaders to camp as possible. All in all, the Pep Club is one club which keeps school spirit jumping.

Homecoming - A Queen's Smile Is Like A Victory

Mary Logeman

Her Royal Highness

A golden moon shone on the queen and her court as Northville High celebrated her annual homecoming. The night began with a parade through town, and reached a thrilling climax at the queen's dance. The court was presented at half time to the packed stadium. It was a shining memory for all students.

Homecoming

At the pep rally, the queen was announced. Amid the standing ovation awarded her by the student body, the queen took her place among the court.

An integral part of the sports scene is the N Club, a group of boys who have proved their athletic ability and school enthusiasm. The club promotes good sportsmanship, co-sponsors Homecoming with the Pep Club, parks cars during sports events, and furnishes floor guards during pep rallies. In general, the members help the sports machinery to run smoothly.

Cross Country

A familiar sight in the fall months was Coach Chuck Yahne's harriers sprinting over the hills in Cass Benton Park, conditioning or competing in a meet. Good physical condition and endurance are musts in this grueling sport. Because of a too small team, the Mustangs were unable to win any meets, but there were several fine individual efforts.

J. Spietz, C. Annett, J. Blackburn, J. Fritz.

Wrestling

The matmen posted a 5-9 season record under the coaching aegis of Mr. Thompson and Mr. Grey. Steadiest performer of the year was heavy-weight Jerry Burns, who finished sixth in class B in the state tournament. Team captains were Bob Steeper and Russ Nichols.

Infused with new blood, the Northville varsity cagers fought for every one of their five wins. They learned in the process, dropping 12 contests, but in each game the Mustangs were a threat. Their best performance of the season came in a 48-45 loss to Clarkston on the road. Outplayed most of the way, undefeated Clarkston capitalized on last second errors to win. It was a losing season, but Coach Dave Longridge's charges never gave up.

J V Basketball

The JVs weathered a storm of basketball injuries and early season setbacks to finish with a respectable 7-8 slate. Composed largely of sophomores, the Colts gained experience under Coach Alex Klukach which should bring future varsity victories.
