***FACULTY***

Mr. Busard, Mr. Spear, and Miss Panattoni are Northville's chief administrators.

## *Administration*

As administrators, Mr. Spear, Mr. Busard, and Miss Panattoni work together to make the Northville School System run smoothly. This in itself is a tremendous job, but this year they had an extra burden to contend with, the defeat of the millage. It was up to these people, with the help of the school board, to decide what programs had to be cut from our curriculum because of the lack of funds. Naturally, the extra-curricular activities were among the first cutbacks to be made. If it hadn't been for the Administrations' enthusiastic support of NPSD, these activities would never have been reinstated. Northville's administration was also confronted with the problem of the unsettled teacher contracts which delayed the opening of school for approximately two weeks. The chart at the right shows the extensive growth of the Northville School District.

# *Our High School Administration is on the move.*

Mr. Holdsworth and Mr. Longridge work together to keep NHS running smoothly. This year the high school administration team has worked with our teachers to enact two new changes in the daily life of the Northville High students. One change is in the bell system, all classes now begin either on the hour or at fifteen to the hour. This change enables the student to have five minutes instead of four between classes. This system has worked extremely well because it has decreased the amount of tardiness considerably. The other change made this year is the elimination of sixth hour announcements. NHS students now have an announcement board in the main hall where all clubs put their notices for its members to read. This change has also been an improvement to the students and teachers, for no longer is valuable class time lost during sixth hour.

An administrator's job entails many things.

# Counselors and Secretaries Provide Vital Services

Mrs. Hay, Mrs. Rollings, Mrs. Juday, and Mrs. Zayti are the office secretaries for the 68-69 school year. Mrs. Hay is in charge of attendance as an assistant to Mr. Longridge. Mrs. Rollings takes care of the classes, club treasuries and general finances in addition to her regular secretarial duties. Mrs. Haynes formerly operated the book store, but now she assists at Ida B. Cook Junior High. Mrs. Juday has taken over Mrs. Haynes' job in the book store at the high school.

The counselors do far more than advise Northville High School students about their classes. At the end of the eighth grade every student of Ida B. Cook Junior High is assigned to a counselor at the high school. The future high school student plans his high school schedule with the information and suggestions offered by the coun-

selor. The same counselor continues to work with the student throughout his high school years and even beyond. When the student graduates, he can be sure that his counselor has guided him correctly with his choice of advanced learning or a career.

## *Material Center Updated With New Equipment*

Because individual study is so important this year at NHS, the Instructional Material Center is the home base for students' work. The newly installed study carrels provide each student the opportunity to listen to the vast assortment of tapes and to view filmstrips. The tapes and filmstrips deal with such topics as crime, minority Groups, and interviews with some of our United States Senators. Finally, the filmstrips are improved! They are now not only in color, but have records that play while the filmstrip is being shown. Many students feel that with this improvement, they are much more interesting. Also, the library has received a large amount of new books and reference material. Many classes try to spend at least one class day a week in the library so that students can work on their individual projects. Besides the books, tapes, and films, the Instructional Material Center has an abundance of audio-visual equipment this year.

# *Audio-Visual Aids Are Important in English Department*

The English Classes this year are using the Instructional Materials Center more than ever before. The instructional tape players have become an important part of English teaching. Many tapes are available on subjects from essay writing to Shakespeare. There are three new faces in the English Department this year. Miss Evans, who teaches Composition and Freshman English, received her M.A. from U. of M. in English language and literature. Mr. Chapel received his Masters from U. of M. in Theater Arts. He teaches English and Dramatics. Miss McCarthy is the new Speech and Debate teacher. She is presently working on a Masters in Educational Television at MSU.

# Language Arts Teaching

## Foreign Languages

We have a new face in our foreign language department this year. Miss Brookmeyer who replaced Mrs. Brown, teaches French. The language lab in D50 has become a very important aspect of language study. It enables the students to hear and repeat with a record while their teacher listens to them individually and corrects personal mistakes. The language department has expanded this year by including German II, Spanish III, and French IV classes.

Mr. Riddell and Miss Brookmeyer use our new electronic equipment. Study carrels and the language lab are pictured.

## *Math and Science Improve Programs*

This year the Math Department is attempting to give each student an opportunity for greater understanding of mathematics by exercising their personal initiative. Mr. Benson said that through independent study each math student is able to delve fully into the problems of math he encounters as an individual. The student is also able to explore deeply into the concepts of math that fascinate him.

Enabling the math student to achieve his goal are programmed instruction, student aides, and team teaching. Each of these math instruction approaches is designed to increase the effectiveness of teaching subject matter that is very difficult for many students.

In "Independent Study" the student's interest and initiative are the two necessary keys to the door of mathematics achievement and appreciation.

Mr. David Johnson joined the math department this year. Last year he taught high school mathematics at Brighton High School. Mr. Johnson is a graduate of Northern Michigan University.

For the many students interested in science, Northville offers a comprehensive program of study aimed at the achievement level of all students. For students without great aptitude for science, a basic class in physical is offered. For the high achievement, college bound students, classes in advanced biology and physics are offered.

Students have shown their appreciation for the wide ranging science program by their increased use of new facilities installed late last year.

Mrs. Pamela Peat is the newest member of the science teaching staff. She teaches basic science courses to underclassmen.

## *Individualized Approach Used in Social Studies*

This year individual study has played a major role in the lives of Northville High School students. This type of study program allows each student to choose an elective and he may work at his own pace. "The success or failure of this program depends on the students" said Mr. Jones. The department offers such subjects as geography, economics, and world problems, in addition to the standard U.S. History, and American Government.

All students before graduation must take one year of U.S. History along with one semester of American Government. To fulfill the remaining requirements for Social Studies, students may elect geography, world history, or sociology.

Also, this year student involvement in classroom activities has increased. For instance, Mr. Skow's students in second hour American Government class are taking over some of the actual teaching. "I like to see students be involved in the class; not only is it a good experience for the students, but the students often become more involved when one of their fellow students is presenting something to the class", said Mr. Skow.

The teachers of the Social Studies Department are constantly working with the curriculum coordinator, Miss Panattoni, to achieve the ultimate goal of interesting and yet beneficial classes for the students.

## *The NHS Business Department Preparation*

Teaching the basic fundamentals of the business world is the main goal of the Business Education Department. This department has been designed for the budding secretaries and young businessmen. The Northville High School Business Department attempts to benefit all students; college-bound or job seekers. To give all students the best opportunity to succeed in business, NHS offers: personal typing, typing I and II, shorthand, office machines, bookkeeping, Co-op, and others. The Co-op program is in its second year of existence at NHS and gives students the opportunity to gain on-the-job experience. Those that are involved in Co-op spend the last hour of each day working at their job and learning about business from their employer. Mr. Sullivan is the only new face in our Business Education Department this year. He came to NHS as a replacement for Mrs. Osborn. Mr. Sullivan teaches typing and shorthand. He is a graduate of the University of Chicago and was formerly employed by the General Motors Corporation where he was involved in retail business. Mr. Sullivan has ten years of teaching experience. Mr. Hyde, Mr. Willing, and Mr. Saunders (Right) are the other members of the NHS Business Education teaching staff.

Mr. Handy is the instructor for the new Auto Mechanics Department. A new section was added to the building for this program. The old shop class is non-existent today. The metal and wood shops have been replaced with what Mr. Handy and the school feel is a more useful program for the students. Green Motors supplies cars for the classes on which they do body work. Also, students may work on their own cars. By working on their cars, the students learn the fundamentals of electricity, auto mechanics, and auto repair. Mr. Anderson heads up the drafting and mechanical drawing classes. This course is offered for four years to interested students. The activities consist of building model homes, drawing machine parts, and designing dies.

Interested students look on as Mr. Handy lectures.

## *Home Economics*

Home Ec. department is under new management.

This year's Home Ec. classes are taught by a new teacher, Miss O'Daniel. She teaches Home Ec. I, II, and III in addition to Home and Family Living. Many different areas are studied by girls interested in the fundamentals of cooking, sewing, and interior decoration. The subjects covered under these areas are nutrition, and the balanced meal. They also learn clothing construction and designing. The girls learn how to coordinate colors and textures in interior decorating. Home and Family Living teaches money management, child development, and solutions to family problems.

The girls in all classes are preparing themselves for the annual homemaking contest, sponsored by Betty Crocker.

Miss O'Daniel instructs third hour Home Ec. in cooking.

## *N.H.S Fine Arts Department*

Students who enjoy carving their names in desks, painting on walls, and those who simply like art, find Mr. Pederson's Art classes the place to display their creative talents. Throughout the year art students work on different projects such as: copper tooling, pottery, and painting Christmas scenes on the windows in our halls.

Northville High's Music Department has been placing a song in the hearts of its students for many years. The NHS Marching Band along with the Jazz Band, under the direction of Mr. Williams, has excelled once again. This year our choir has expanded to an individual girls and mixed choral groups. Mr. Valentine reports that another musical will be performed in spring.

# Education

## *The pool adds sparkle to the already outstanding education program at Northville*

This year there has been a radical change in the Physical Education program at Northville. Health and Physical Education III, have been added to our ever expanding curriculum as an elective for Juniors and Seniors. Phys. Ed. III specializes in more advanced skills in such games as basketball and volleyball and introduces other sports like fencing and gymnastics. The new health class deals with such subjects as smoking, drinking, and drugs. The new pool has finally been completed and is being used by all gym classes. The Physical Education department has several new faces this year. Mr. Klukach, who is the head football coach, came to the high school from the junior high to teach the boys' gym classes. Mr. Lauber is the new boys' swimming instructor. Miss Turner was hired to teach girls swimming and health.

Miss Turner discusses drug abuse with her health class.

Miss Bubel discusses teaching techniques with her student teacher.

# g health and physical

Students seem to enjoy the new pool facilities.

Mr. Lauber prepares to start another water polo game.

Hark! The Northville High School pool is completed. "The pool is used every period of the school day except fourth hour," reports Mr. Lauber. Both the boys and girls gym classes use the pool on an alternate basis with a few days for co-educational swimming. However, there are usually no more than thirty students in the pool at one time. There is a variety of instruction that is available now with the completion of the pool, such as: Red Cross life saving instruction, beginning and intermediate swimming lessons, and diving instruction. Besides these lessons, students learn how to play different water games such as water polo and water basketball.

At present, the use of the pool after school hours is very limited because of the lack of funds for extra curricular activities. However, private groups such as the Girl and Boy Scouts are allowed to rent the pool.

# *ACTIVITIES*

# Mr. Pete's Picassos- The Art Club

Joy watches as Lynn "does her own thing."

The Art Club has busied itself with many activities this past year. Despite a late start, they finally got into the swing of things. The members, guided by Mr. Petersen, constructed and designed the sets for two plays this year, "The Diary of Anne Frank" and the spring musical "Oliver." In March they went to see the Crowley Art Exhibit.

The Art Department moved into the old Industrial Arts Center this year, giving them badly needed space and equipment for projects.

# Student Assistants

The girls who give up their study hall or free hour to help in the office are a great help to the secretaries. They collect attendance, run errands and do odd jobs around the office. A quote from Mrs. Hay tells of their importance, "We couldn't get along without them." The office girls this

year were: V. Cusson, M. Richmond, J. Vititoe, L. Guider, P. Ely, P. Long, C. Loeffler, J. Bogart, D. Reh, R. Shoner, T. Smith, J. Hartner, S. Zayti, J. Le Butt, K. Pink, G. Burke, K. Defina.

This year we got a new Instructional Materials Center, known commonly as the library. Students offered their services to help Mrs. Sullivan with all the new equipment and books in the library. Many used their study halls to work in the library checking out books

## *Friday's Homecoming Festivities*

Mr. Williams, Mr. Evans, and Stacey.

The excitement of Homecoming began mounting weeks ahead as the classes tackled the job of building floats (with the help of some eggs). Thursday night's bonfire sparked more enthusiasm and Friday night our spirited Mustang team successfully tromped the Milford Redskins 7-6. The parade through town and the halftime activities featured Queen Stacey Evans and the 68-69 Homecoming Court. The announcement that the Juniors had the prize winning float aroused even more excitement (and a few more eggs).

# Queen Stacey Reigns Over Homecoming

The exciting activities of the Northville High School Homecoming weekend were brought to a delightful climax Saturday night under "The Spell of Autumn". Queen Stacey Evans and her court reigned over the homecoming dance as happy couples danced to the music of the N.H.S. dance band from 9 'til midnight.

Said Stacey, "Although I regret using the same old song, as said in years past, this homecoming was, by far, the most perfect, most beautiful, and exciting experience I've ever had. I would like to say thank-you to the whole school for making this wonderful evening possible."

The students commented favorably on the dance. "Best homecoming we've ever had." "The band did a good job and the decorations were gorgeous," "The big turnout really surprised me!"

Laura's caught by the spell of Mr. Wonderful.

Our school is alive with the musical sounds of the Northville High School Band. The band is under the direction of Mr. Williams, President Herman Wedemeyer, and Secretary-Treasurer Stacey Evans.

The band has been quite active this year. During football season our talented marching band and majorettes provided exciting halftime entertainment. The pep band helped build spirit at basketball games. The band also presented several concerts and provided the music for the spring musical "Oliver".

The Dance Band, also directed by Mr. Williams, is quite popular, having engagements at schools and proms in this area. It also entertained our students at an assembly.

# Scholars Abound!

The Future Teacher's Association busied itself with several projects this year. Despite numerous conflicts, they completed many of them. Their largest activity was the cadet teaching program. This program with dozens of students participating, was established to show students what teaching was really like. Other activities pursued were projects for the National Education Week and an activity for the children at Our Lady of Providence.

Members of this association are (First Row left to right) our sponsor, Mr. Hyde, K. Loudy, Treasurer: G. Balko, President; L. Rathert, Vice-President; L. Macri, Secretary; Ann Sarnes. Honor Society is a club comprised of persons who demonstrate outstanding character, service, academic, and leadership abilities. Their activities this year have shown all of these qualities. The tutoring program has proved to be successful again this year. Each member volunteers some part of his free time to tutoring students in an academic course that they are especially interested in. As a project for the community, the Honor Society raised money for NPSD by holding a car wash. This way they com-

bined fun and service. This year, the members of Honor Society are (First Row) M. Lorenz, K. Becker, J. Barnum, Treasurer; S. Evans, V. President; C. VanFossen, President; L. Gotts, J. Gensely, J. # N.H.S. Choir

Northville High School always abounds in talented students as can be seen by our choir. Students of the choral music department, under the direction of Mr. Valentine, have presented concerts, performed at assemblies, and have helped to make this year's spring musical "Oliver", a success. # *The Ski Club Has Its Ups and Downs*

Happy skiers board the bus for Alpine Valley.

This year we have a new activity that many kids have been waiting for for a long time . . . a Ski Club! The Ski Club is sponsored by the Northville Recreation Department, so it is not directly connected in any way with the high school. Nevertheless, lots of kids (two bus-loads) went skiing on Monday nights from 5:30 to 11:00 p.m. at Alpine Valley. Amid scraped noses (Bob Cook), icy slopes, stolen skis (Nancy Adams), and slushy snow, the Ski Club managed to have a good season of fun-filled skiing.

See! . . . We're going skiing!

N-Club has been quite busy this year. They operated the concession stand throughout the basketball season and provided all with candy, pop, etc. They also sponsored a successful pizza party despite the fact that they overlooked inviting the Pep Club members as in previous years. Then

along came the gruesome initiations of the new members into the club (was it worth it?). And then when they weren't busy with these activities, they found time to clean out the display case . . . right Ron?

## *Our Cheerleaders*

Victory, Victory is our cry! V-I-C-T-O-R-Y ! And the NHS Cheerleaders help to lead us on to victory by sparking enthusiasm and pep in Northville students. Our girls attended Camp All-American again this summer, along with seventy-five other squads. After five days of stiff competition and being judged in leadership, skill, poise, physical fitness, friendliness, creativeness, and PEP, our squad took a first place trophy. Sandy Schwendemann took a second place trophy as outstanding cheerleader. They also came home with three ribbons from their nightly competition. Our 1968-69 cheerleading squad certainly has something to be proud of. And besides winning these trophies, the squad added new cheers, pompon routines, and support to our team. As these girls show and Miss Dorrian says, "Cheerleading is an important part of our athletic picture."

Our spirited Pep Club.

Pep Club girls have been busier than ever this year. With their artistic talents, they created signs cheering on not only the basketball, football, and wrestling teams, but also those of spring sports; track, golf, baseball, and tennis!

Pep Club helped with the Homecoming festivities and

dance this fall and sponsored the annual pep jug competition during basketball season (which the jolly juniors won!). Pep Club girls also presented several skits during pep assemblies this year.

# Debate

Though they got off to a late start this year our debaters brought home many honors. The topic of debate this year was "Should Congress enact a system of compulsory service for all citizens?". Our Varsity squad won in the Wayne-Oakland County League, went on to win the District competition, and also took the Regionals. On March 7th they competed in the state semi-finals

through three rounds and were awarded a trophy for semi-final competition. This is the farthest any Northville debate team has ever gone. Congratulations debaters!!

Congratulations also to Cris Becker, who was chosen best speaker in our district. This enables her to compete for the coveted John Knight Debate Scholarship.

The Forensics and Thespians clubs have been active as usual this year. The Thespians held a Halloween party and the Forensics club had a Christmas party featuring junior-senior skit competition. The seniors, for the second time, came through with a victory over the juniors!

Forensic member Lynn Rathert won the American Legion oratory award and went on to further compe-

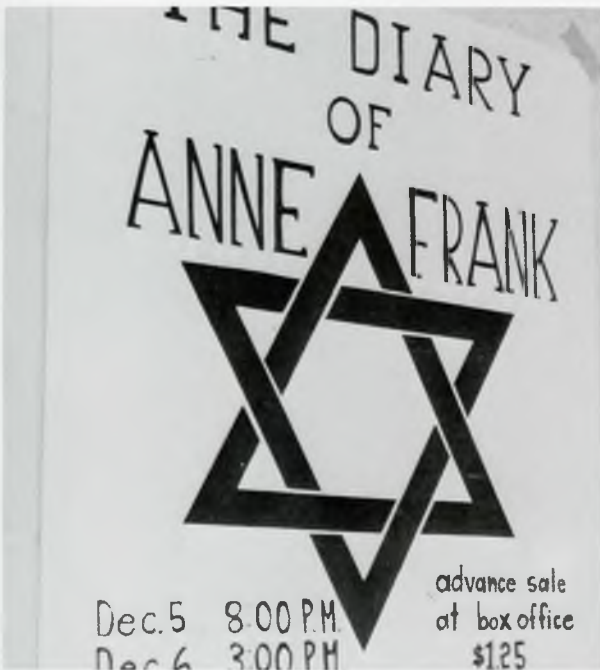

titition. Member Bob Shafer provided musical entertainment before school each morning in the form of the "Morning Ride."

Member of both clubs took part in the successful drama, "The Diary of Anne Frank, and they also helped to make the spring musical "Oliver" a smash hit!

# Junior Prom- "Stardust" Big Success

"Stardust" cast a dreamy spell over the 1970 Junior Class Prom. Starry-eyed Junior couples danced to the music of the George Alfano Orchestra from nine o'clock 'til midnight. During the pause between dances, entertainment was provided by singer and comedian, Ron Coden. Couples left a cold and wintry mid-December evening behind and entered a world of aqua, gold, and silver glitter stars and twinkle lights through a garland archway. A Christmas tree and mistletoe helped to add the Season's Greetings. All of this made December 14 a night to remember.

A garland archway greeted Carolyn and Brian as they entered the dance.

They could have danced all night.

Student governments play an important part at Northville High School. The Student Council discussed an open lunch period, the revision of the dress code and the adoption of a Korean girl, Sun Lee Hee. M.U.N. spent a weekend at the University of Detroit at a General Assembly where they discussed current world problems. The class councils succeeded in deciding many issues and got work done that saved the whole class trouble.

The Girl's Athletic League has been very busy this year. The season opened with speedball, soccer, and archery, followed by the winter sports, volleyball, basketball, and bowling. Tumbling and badminton began the spring season that ended with track, tennis, golf, and softball.

Besides the weekly sports, G.A.L. also sponsored several special activities for the members and the prospective members. The swimming party, the first in our new pool, was a big success with 30 members in attendance. Everyone agreed the pool was definitely an asset to the athletic facilities. The annual Slumber Party planned by the Senior members provided fun and food for all but little sleep. Other activities sponsored by G.A.L. were the Valentine Corsage Sale and the All-School Co-ed Volleyball Tournament.

The members of the skilled J.V. Basketball team are: D. Harper, K. Pink, M. Prodger, A. Phillips, C. Wood, Manager, ?, L. Macri, D. Cook, S. Balko, D. McIssac and Sponsor, Miss Bubel.

Along with Intermural sports, G.A.L. also offers skilled teams for girls who show extra talent in Volley ball and Basketball. These teams met with other skilled teams from schools nearby. Good Luck next year, Girls.

The members of the skilled Varsity Basketball team are P. Ely, D. Sterner, L. Wilson, C. Wood, Manager; Sue Pflucke, L. Heffner, V. Elkins, S. VanSickle and sponsor, Miss Bubel.

## *Palladium Staff*

The school year was filled with fun, and activities which all added up to memories. The 68-69 yearbook staff collected many of the highlights of the school year into the "Palladium" so they could not be forgotten.

This year's staff was selected by sponsor Mr. Riddell, last

spring. Work on the yearbook started in September and continued through March. Last year's book won the Columbian Scholastic Press Association's first place award and this year staff hopes for a repeat performance.

## Mustanger Staff

The staff for our school newspaper the "Mustanger" is made up of students from the Journalism classes and headed by Mr. Redmond.

The Mustanger has completed another successful year. They put out a record number of papers and got a new press. But more important, the students that participated took an

interest in the activities of the school and were concerned about the problems that face us in and around school.

The students wrote what they wanted and by doing so we got several interesting, new features including a new candid page.

## MUSTANGS ARE TOUGHER

The Mustang gridders, under the excellent coaching of Alex Klukach, Ralph Redmond, and Richard Willing compiled a 5-3 season record. Northville's 3-3 league mark was enough to secure a tie with Waterford Kettering for fourth place in the Wayne-Oakland County League final standings. This has been the most successful season any Mustang football team has compiled in four years.

Co-captains Barry Deal and Fred Hicks, senior Glenn Heffner, and junior Terry Mills should be given special praise on their being selected for the W-OCL "all league" teams. Tailback Barry Deal was awarded "first team" honors. Tackle, Fred Hicks and Guard, Glenn Heffner received "second team" positions while Flanker, Terry Mills was named to the "honorable mention" list.

The entire 1968-69 football team deserves congratulations for such a fine season.

\*Non-League

\*\*District Tournament

A sometimes great, sometimes frustrating 1968-69 season ended when the Mustangs beat the Kettering Cougars. Our spirited team tied for third place with the Trojans of Clarenceville. The team then went into the District tournaments where they were halted by Clarenceville.

Our team was led by All-League choices: Junior Ron Hubbard (who made W.O.C.L. first team) and Seniors, J. Taylor and Stan Nirider. The latter two received honorable mention. The rest of the starting five included Junior Terry Mills and Senior Craig Turnbull.

Besides those mentioned, two other Seniors, Barry Deal (with his Milk Duds) and Dan Condon, graduated from Coach Kucher's cagers.

Cushing and team members tie up opponents as usual.

# The J.V.'s are Champs!

This year the Junior Varsity basketball team had a fabulous year. Under the guidance of Coach Harrison they went undefeated. Seventeen wins and no losses. The J.V.'s were led in the scoring department by Kerry Cushing, Bernie Bach, and Steve Utley.

Even the Freshment basketball team got into the winners circle this year. Under the directions of Coach Palmer the Freshmen compiled a good 9-7 win-loss record.

In the coming years Northville High School should be blessed with champion basketball teams.

S. Evans, B. Cole, B. Curt, T. Hannert, P. Guider, G. Van Drew, C. Cook, P. Dulas, J. Boland, J. Hubbard, R. Asher, B. Andrews, R. La Rue, J. Moon.

K. Taylor, S. Utley, R. Pickren, B. Bach, C. Saurer, L. Snow, R. Seckler, C. Sockow, P. Condon, D. Martin, missing K. Cushing.

# Wrestling

The wrestling picture was a little weaker this year. The team was seriously hurt by the loss of captain Curt Olewnik and David D'Haene, but none-the-less the team finished second in the league. Although the team did not finish first there were some individuals who did. League champs—Brad Conklin, 175 and Fred Hicks, heavyweight. District champions—Mark Griffin, 103 and Randy Marburger, 154. Brad Conklin also finished fourth in the state.

## TRACK

The track team looks forward to an excellent season this year. Coaches Redmond and Osborn are working the runners hard and, as everyone knows, it takes a hard worker to win.

Even though the blisters are great they all love to run. And what trackman could forget the fabulous wintergreen and those velvet soft towels after a great muscle pulling afternoon of six 440's, twenty 220's, and fifteen 100's all after a fabulous three and a half mile run. Good Luck, trackmen.

The "hotdogs" of track.

# Valedictorian

## Salutatorians

Pamela Witzke

Pam has been a remarkable student at N.H.S. as well as a very active person. She debates, is a member of the Honor Society and Pep Club, a cheerleader, and a recipient of the DAR Citizenship Award. When she attends the University of Michigan next year she will work for a degree in Mathematics. Pam's formula for success is 'a lot of work and a little bit of luck!'

Jeanette Gensley

Jeanette has always liked all of her classes but she especially enjoys German and may pursue languages when she continues her education at either Oakland University or Kalamazoo College. Besides being an excellent student, Jeanette has been an active member of our Varsity debate team and the G.A.L. Board.

Mavis Donahue

Micky, a relatively new student at N.H.S., has proven to be outstanding. She enjoys music, dancing, reading, studying languages, and is an active member in the forensics. Micky's future plans for continuing her education are undecided, but she is considering the University of Michigan or William and Mary. She is planning to make language her field of study.

### OUR NEW TIME-KEEPER. A Little Wonder.

Just what everybody needs. Farmers, Mechanics, Business Men, or Boys can now own a Perfect Time-keeper. The Little Wonder Time-keeper is NO BUM-BUG, nor is it a cheap toy. It is a thoroughly reliable teller of the time of day, in a handsome silver nickel hunting-case, and fully warranted. Cheap Watches are as a general thing poor time-keepers, but the Little Wonder can always be relied upon. Our offer:

We want **200,000** new readers for our paper immediately, and in order to obtain them and introduce it into every home in the Union, we are now making extraordinary offers. We will send our new paper, entitled "**Youth**" for the next three months to all who will send us *thirty-three cents* in one-cent postage stamps, to help pay postage and cost of this advertisement; and to each person we will send *absolutely free* one of the **Little Wonder Time-keepers**. Any one sending \$1.00 for three subscriptions will receive paper and *Time-keeper free*. **YOUTH** is a large 32-column Illustrated Literary and Family Paper, filled with bright and sparkling Stories, Sketches, Poems, Household Notes, Puzzles, Pictures, etc.; in fact, everything to amuse and instruct the whole family circle. We know that you will be more than pleased. Address at once, **Youth Publishing Co., 27 Doane St., Boston, Mass.**

 Creators of fine class rings

**18 K. Rolled Gold Solid Rings** embrace the latest designs, and excel as to ornamentations, finish, style, etc. As a Present suitable to Either Sex, the finger-ring is the most desirable that can be obtained, as nothing adds more to the beauty of a well-shaped hand than do these gold. As we make Rings a Specialty, and desire to introduce our goods everywhere, we offer at our address, postage paid, any one of the above Rings on receipt of **One Dollar**. At this price we below our regular charges—we refuse positively to furnish a larger quantity than **One**. If more are desired you must pay our Full Catalogue Prices, as we could not possibly offer an extraordinary Low Figure. If you want One ring send \$1.00, if Two rings \$2.00, or if Three rings \$3.00. This Special Offer involves an actual loss, but as the unqualified Standard Quality of our goods is universally conceded, we are satisfied that the profits derived will amply repay our liberal concessions. **Description of Rings No. 1.** Onyx with Initial cut through to the white layer of stone. Any Initial furnished. **No. 2.** The Ring, representing two clasped hands, but so arranged that the hands may be drawn apart and two hearts that beat as one. It is entirely new, remarkably pretty, elegantly chased, and a positive ornament to present to a lady. It makes an elegant engagement ring. **No. 3.** The Ring contains a remarkably brilliant Oriental Diamond, magnificently mounted, engraved on the stone to the greatest advantage. **No. 4.** Beautifully engraved Ring set with either Ruby or Garnet. **No. 5.** Heavy Plain Band Ring. **No. 6.** Elegantly Chased Band Ring. **No. 7.** Handsome Cameo Ring with chased side ornaments. **No. 8.** Massive Half Round Ring—Always Order by Numbers. For size of ring required send a piece of paper that just finger on which you intend to wear the ring. We engrave your Initials, etc., on the inside of the ring for an extra charge. Our elegantly illustrated Jewelry Catalogues are mailed with each order we sent by regular mail, P. O. Order, Registered letter, or Express. **Send this advertisement**

# Editor's Backward

We, and especially the senior class, have anxiously awaited the last day of school, graduation, and of course, the yearbook. Excited by the prospects of summer, we still recall with some sadness, the memorable, though sometimes antic, moments of the last four years. Looking back it is easy to see that the school has changed in many ways; the swimming pool, new library, the language labs, (and the Senior Lounge!), have made Northville High School a better equipped institution of learning. More important, however, is the change in the student body, especially its growing awareness of activities in the country and around the world. It is our duty as the Palladium Staff to portray these changes in you and the school, and we hope this has been done.

My sincere thanks goes to all these people and especially to Mr. Riddell, our advisor, who has been a great help. To you the reader, I say thank you for reading the book. That has been our reward.

Sincerely,
