From NHS With Love

In June of 1991, ten intrepid Northville students traveled to the Soviet Union, visiting the great cities of Moscow and St. Petersburg (Leningrad).

Lead by Mr. Ford and Dr. Aune, we traveled into the unknown. After surviving Natasha, gypsy attacks, and mystery meals, we found the lost student and came home.

We became a lot wiser, thinner, and had the craziest, but most fun, ten days ever.

Hilltop and Bottom Shoppes

Stephanie Neff and Todd Christianson prepare the store before the crowds come.

Under the supervision of Mr. Burley, the Marketing Management class smoothly runs the Hilltop and Hillbottom Shoppes. The store gives students an opportunity to sell merchandise and deal with customers. In the Hilltop Shoppe, their items include candy, sweat-shirts, and school supplies. The Hillbottom Shoppe offers a variety of candy and popcorn to the lunchtime crowd. This store lets students experience how to work and manage a store in the outside world.

N.H.S. Choir is Top-Notch

The 1991-1992 school year was very successful for the Northville High School Choir Department. The Department had many successful fundraisers like a Sloppy Joe Booth at the Victorian Festival, a cheese and sausage sale and a Spend-the-Night. Part of the money made from these fundraisers will go towards the Concert Choir Spring Tour in Toronto. The Choirs from Northville High School also did exceptionally well at Choral Festival and Solo and Ensemble. By participating in the many singing groups at Northville High School, students become more well-rounded individuals.

Student Congress At N.H.S.

Under the leadership of President Beth Cannizzaro and Vice-President Tim Duff, the 1991-1992 Northville High School Student Congress provided many events and activities. The school year began with a car wash followed by the organization of Homecoming Week, a Red Cross blood drive in December, and Teacher Appreciation days. This year, Student Congress implemented the Student Incentive program and exchange days with other high schools. The school spirit of NHS has improved as a result of the dedicated members of Student Congress.

S.A.D.D. Makes Good Times

Northville High School Students Against Driving Drunk had more energy and support this year from the students, faculty, and community than ever before in its history. Again regarded as one of the top S.A.D.D. chapters in the state of Michigan at the annual S.A.D.D. Shanty Creek State Leadership Conference held in November. From this conference comes the ideas for the year and many have happened.

All students at NHS who turned 16 received a birthday card supporting their great birthday but helping them also to remember not to drink and drive. The 1991-92 year saw many S.A.D.D. events such as involvement in the Victorian Festival, having a great time at Maybury Madness, The Window of Life signed by hundreds of

students supporting not drinking and driving, the Red Ribbon campaign, Peer Resistance Skill Building and sharing with the 5th graders customer discount cards, Santa for a Day helping Kiwanis, a very successful clothes drive, "Coats and Blankets for Kids", Ford Field Clean Up for the Northville Recreation Center, Grim Reaper Day, Bowl-a-thon to support local charities, as well as support of Senior Prom 1992 and the Talent Show. The year ended with the annual Boblo Boat trip where fun was had by all. Raising consciousness, and having fun while saving lives is what S.A.D.D. is all about.

National Honor Society

The 1991-1992 school year was a very profitable one for the National Honor Society. The group had many fundraisers, including an Entertainment book sale, and a fudge sale. The money from these sales will be used for scholarships. In addition to these fundraisers, the National Honor Society sponsored many community service activities such as serving lunch at Allen Terrace and an information booth at the Victorian Festival. Students who are member of the National Honor Society must have at least a 3.5 cumulative grade point average. Once accepted to N.H.S., students must complete ten hours of community service each semester. The National Honor Society provides many valuable services to the school and community.

Yearbook Staff Keeps Memories At The Top

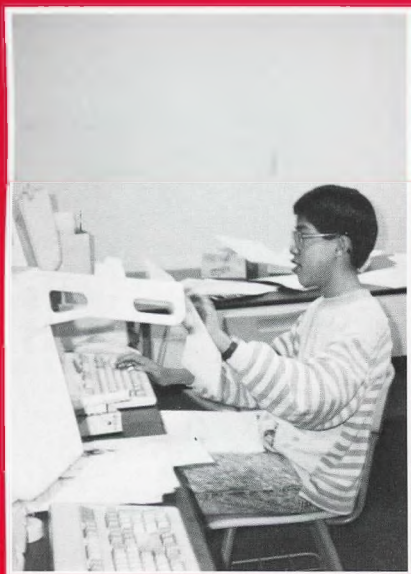

This year the NHS Palladium staff reached its goal of capturing the memories and magical moments of Northville High students. The 1991-1992 year met with great enthusiasm, as 6 staff members attended a yearbook seminar last summer at Calvin College in Grand Rapids. They brought many new ideas and suggestions to weave into this year's yearbook. Another addition to the yearbook is the new sponsor, Janice Olson. The editors, Heather Gunn, Stephanie Schimpf, Jennifer Brandt, and Julie Zwiesler, who were working with a small staff this year, would like to thank the dedicated few who persisted until the end, for their hard work in keeping this year's Palladium at the top.

Deutsches Klub Uber Alles

Every year, the German Club sponsors a German camp at Proud Lake, where students spend two days speaking the language. Students enjoy this experience, where they meet with others who are also studying German. The German club also meets after school to plan activities. This fall they went to Ann Arbor, to talk with students studying German at a college level, and stayed to watch a movie with them.

Debaters Argue To The Top

The N.H.S. debate team grew stronger over the past year. With the membership up, the debate team was able to do well against many schools. This year debate had a strong base as an extracurricular activity as well as a class. Under new coach Cheryl Gazlay, the debate team provided an opportunity for students to discuss controversial issues.

Science Olympics Exercises Minds

The Science Olympics team competed on Saturday, March 7. The experience proved both educational, rewarding, and fun. Students compete either singly or in groups in a variety of events. There are earth science events, like Rocks and Fossils, biology, like Designer Genes, chemistry, like Balancing Equations, and physics, like Circuit Lab. Other events include building and playing homemade musical instruments, building the lightest bridge possible that can hold as much weight (or mass) as possible, and building and telling time by making a clock. Students learn, make friends, and have fun in the Science Olympics.

Pom Pon Squad Dances To The Top

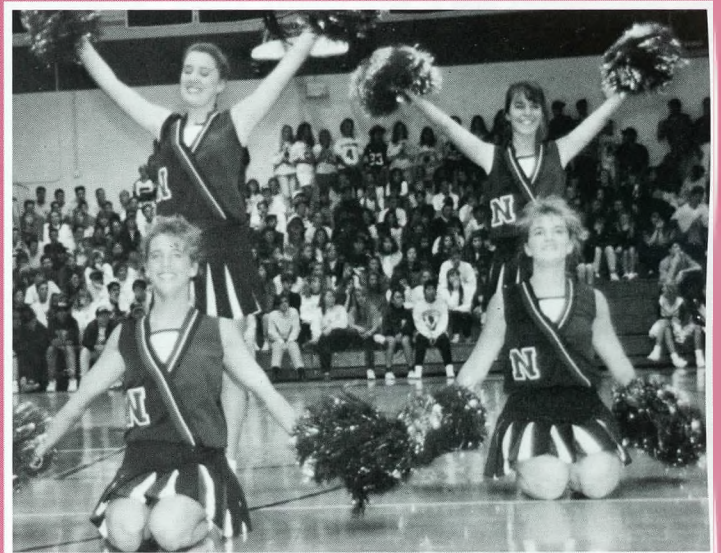

The 1991-1992 Pom Pon season brought back seven girls and added twelve new ones. The squad attended Mid American Pom Pon Camp at Saginaw Valley last summer. They won several ribbons and a Squad Unity award given to them by the other squads attending. The squad performed routines for the soccer team, and during football and basketball games. Northville Cheerleaders

The Northville High School Cheerleading program, coached by Margaret Surdu, consists of a Junior Varsity squad of 10 and a Varsity squad of 12. When numbers permit, a Freshmen squad may exist again. Northville Varsity Cheerleaders have always strived to "BE THE BEST" in their performances and activities. Northville has held the WLAA League Championship in cheerleading for four of the past five years. The girls' season begins in August and continues through March. The Michigan High School Athletics Association has adopted cheerleading as a sport beginning in 1993, opening the door for many exciting changes in the program.

Summer Institute

Last summer, 8 seniors attended Summer Institute, a program designed to allow students a chance to explore areas in the arts and sciences. For two weeks, the students strolled beautiful college campuses while participating in intensives such as chemistry and music theatre, and daily explorations like the creative art of handmade papermaking. Evening activities varied from dances and plays, to ice-skating and lip-sync contests. The participants thoroughly enjoyed themselves.

Students Save A River

The first Saturday in June, a massive clean-up of the Rouge River began. Volunteers in dozens of communities in Wayne and Oakland Counties pulled debris from the water. Northville High School students and teachers helped in our area. The Northville Recreation Department helps to bring people together to clean branches, tree limbs, bikes, pipes, and anything else that could interfere with the flow of the River Rouge.

Alice Vanderhoff (Ris Fleming) meets and falls in love with her boss's son, Tony Kirby (Steve VanDuzen). The conflict arises when the Vanderhoffs meet the Kirbys for dinner. This year the play came under the new direction of Gary Sturm. The fall play was an "explosive" success. We hope that Northville High School will continue to produce such masterpieces.

N.H.S. Musical "Carousel" Receives Top Billing

Northville High School brings the glories of Roger's and Hammerstein's American classic "Carousel" to stage. "Carousel" is the celebrated musical of 1945 based on the play "Lillian", by Ferenc Molnar, and adapted by Benjamin Glaser. "Carousel" spins the ill-fated love story of Bill Bigalo (John Norman), the worldly carousel barker, and the innocent mill worker, Julie Jordan (Stacey Nield). In other major roles were Angie Putman, Greg Raby, Suzanne Caderet, and Gabe Sievert. "Carousel" combines laughter, music, dance, and tears into a wonderful romantic evening of musical theater.

CLASS OF '95

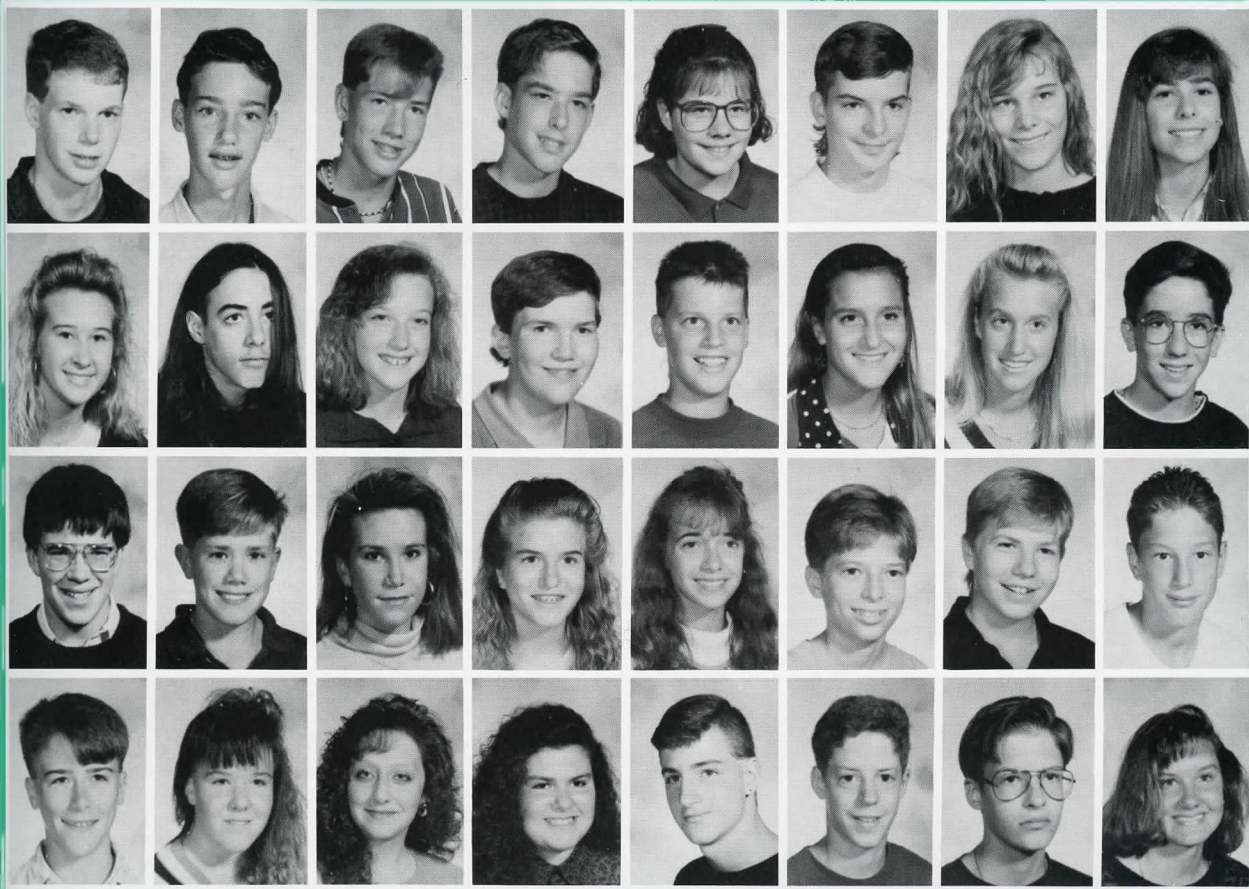

The Class of 1995 had a great year, which was prompted by teamwork, cooperation, and unity. They surpassed their goal of \$1,000, by participating in a variety of fund raisers which included selling Mackinac Island Fudge at the Victorian Festival, pop bottle collections, flower sales, and many more exciting activities. Building the Homecoming float was fun for everyone! The class officers and class representatives worked closely together to make all the freshmen feel comfortable. The majority of the freshmen interacted with many extra-curricular activities, ranging from sports to special clubs. The class of '95 is hopeful to continue their goals and objectives for the oncoming school year.

Officers: Front: V.P. Melanie Helmer, Secretary Jodi Fischer. **Back:** President Anthony DeBenedet, Treasurer Aaron Troschinetz.

Freshmen think only 15 more minutes of class!

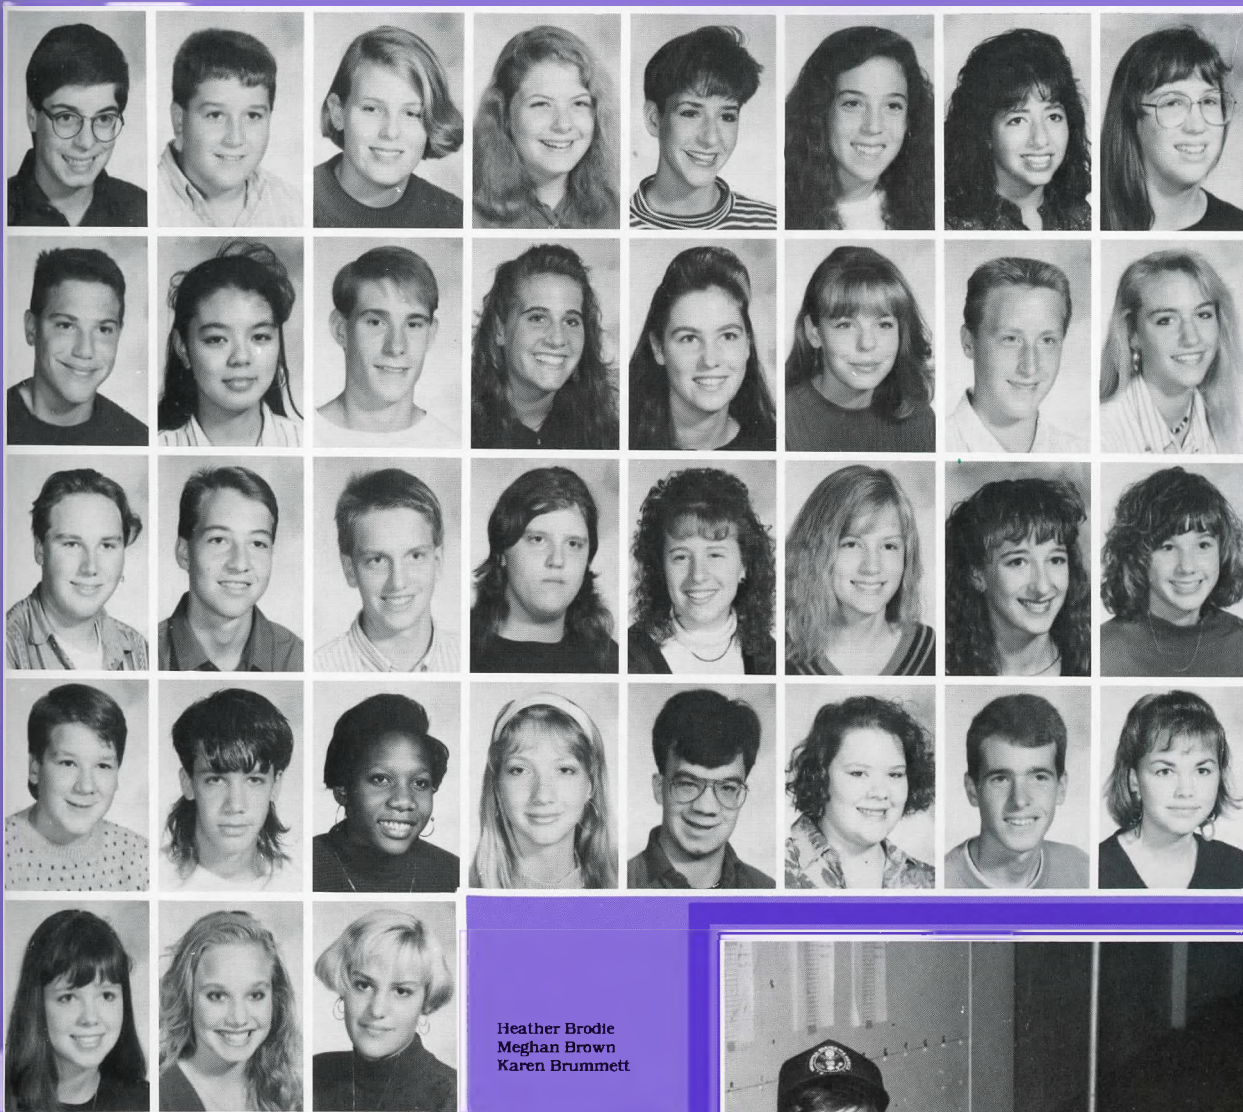

The sophomore class has successfully finished another prosperous and eventful school year. The class of '94 was actually involved in all of the functions held during the year, including the Victorian Festival popcorn sale, car washes, and ticket raffles. These all benefitted their increasing account tremendously with a total amount over last year's profit. Homecoming spirit was creatively shown in their "Jack and the Beanstalk" float with a Harrison football player getting caught under a cut beanstalk. The sophomore class was led by President Jason Lenning, Vice-President Ted Downs, Secretary Amy Cristof, and Treasurer Julie Romine.

As Dr. David M. Burns said, "Aim for success, not perfection. Never give up your right to be wrong, because then you will lose the ability to learn new things and move forward with your life. Remember that fear always lurks behind perfectionism. Confronting fears and allowing yourself the right to be human can, paradoxically, make you a far happier and more productive person."

Lauren Somershoe

In the beginning we came from every kind of school
With our freshly trimmed bowl cut, we thought we were so cool
Our school was in harmony, our colors maroon and gold
We all conformed to skating, to fit the trendy mold
We crossed the bridge and compared to the seniors, we were dinky
We couldn't park in the seniors' lot, because we rode the twinkie
We marched upon the football field, a brand new class was born
But when we looked upon our float, we all began to mourn
We walked into the great big gym, as you might recall
We saw three murals hanging there, but not upon OUR wall
We came back strong our Sophomore year with a first place float we won,
But little did the other classes know, that we had just begun
Our whole school sat attentively and listened the best it could
To hear Laurie Stewart make us say, "Darn I am so good!"
Laurie Stewart made us laugh and cry and find ourselves that day
But following her departure, it was back the same old way
We took inventory and washed people's cars to help with prom's expense
But somehow collecting cans for cash did not make that much sense
Looking back and seeing all the things that we have done
We realize it took lots of time and wasn't always fun
We planned a trip to Cedar Point many months ahead
But as the buses pulled up the hill, this trip we began to dread
We squished upon the buses in herds hoping the trip would be short
We sang, laughed, and moaned and gave each other support
The weather stunk, the bus broke down, there was nowhere to sit
And when all of these things happened to us, we laughed and said, "Oh, —————!"
Going to Cedar Point was the highlight of the year
It still is beyond all of us how we safely returned to here
Junior year — another time to shine with our winning Homecoming float
No one could look at our octopus and resist the need to gloat
From the taunts and jeers from seniors, our class would always thrive
It was their negative comments that kept our spirit alive
A stunning mural was produced during the Persian Gulf war
But many people saw it as bad and threw it out the door
We entered senior year with a roar
Realizing that we'd soon be out the door
Senior pictures had already been taken
And taken, taken, and once again retaken
The dragon float smoked the other classes away
As we jammed, once again, on Homecoming day
There was one single day that seniors did not rule
All prepared for Prom, that day, so none attended school
Guys all dressed in tuxedos while every girl was late
But everyone awaited the most important date
We all enjoyed ourselves, everyone looked their best
This was the Prom of '92, the one above the rest
It went by fast for some, for others it went slow
But no matter what the pace, it's time for us to go
The times have been amusing — we will miss you when we're through
And to the Class of '92
We dedicate this poem to you.

Parent Advisory Meetings

Meetings are held monthly. They afford parents an opportunity to meet directly with N.H.S. administrators. Administration provides information on current issues and programs. Parents can ask questions and/or voice concerns. The meetings provide a means of keeping the lines of communication between Northville High School and the community open.

Athletic Boosters

The Mustang Athletic Boosters Club operates as a charitable and educational organization. It promotes athletics and assists the Northville School District in purchasing various needs of the athletic program above and beyond the school's athletic budget. This year their support helped make our athletic program one of the finest in the area.

Nina Miller and Nancy Luebbe prepare to choose a Super Draw number and sell 50/50 tickets.

Margaret Surdu sells Booster President Judy Walsh a ticket.

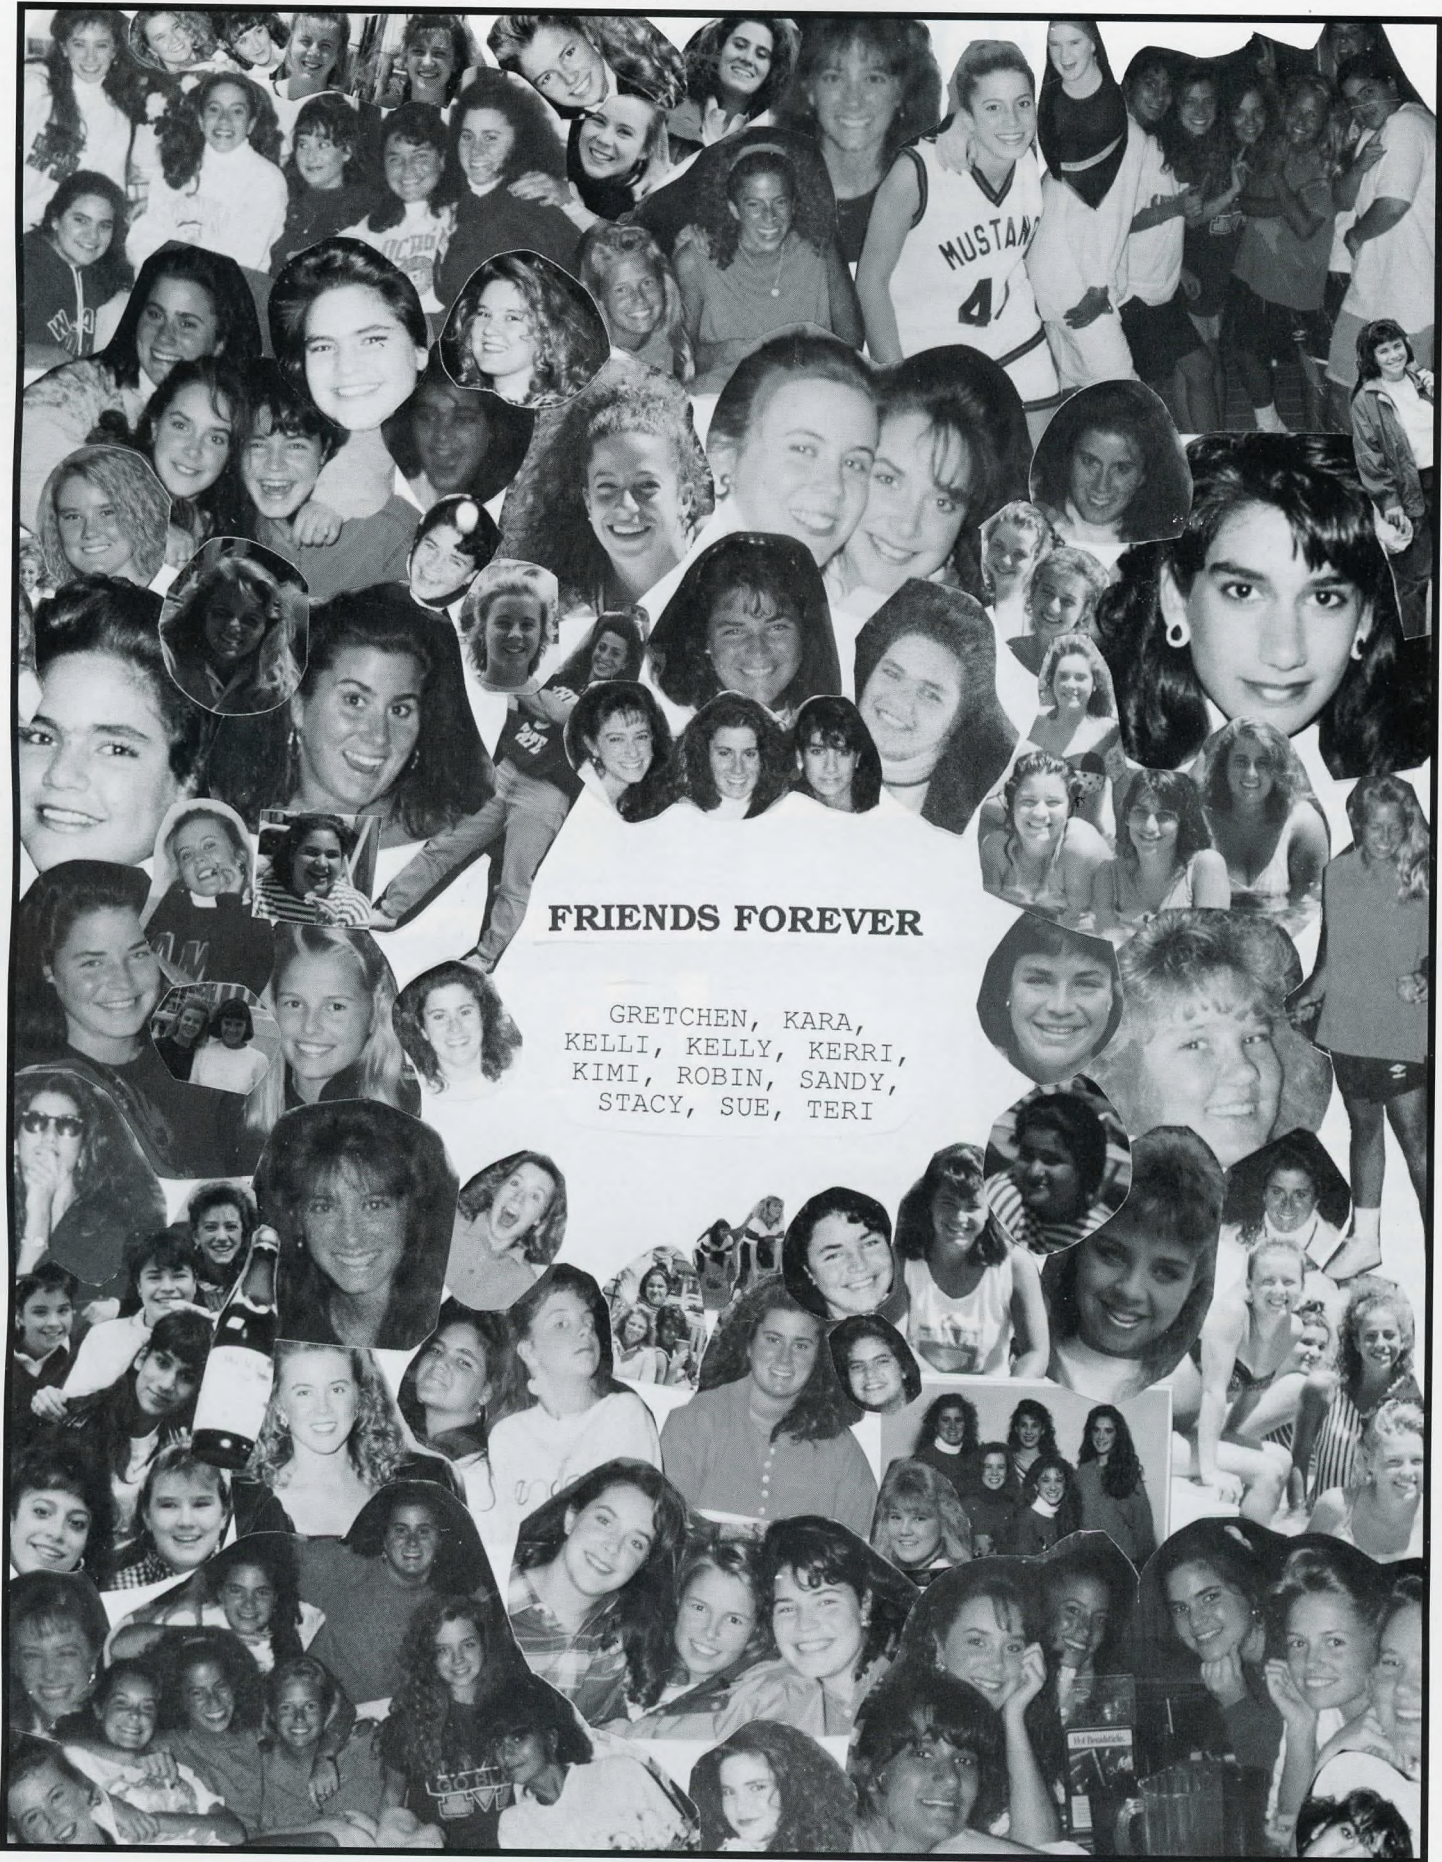

Music Boosters

The Northville Music Boosters brings the N.H.S. music program into community focus. It assists the program in developing, executing and finding support for all activities. This support of the quality and quantity of the music program enhances the musical experience and develops character and educational fulfillment of the Northville school music students and the general student body.

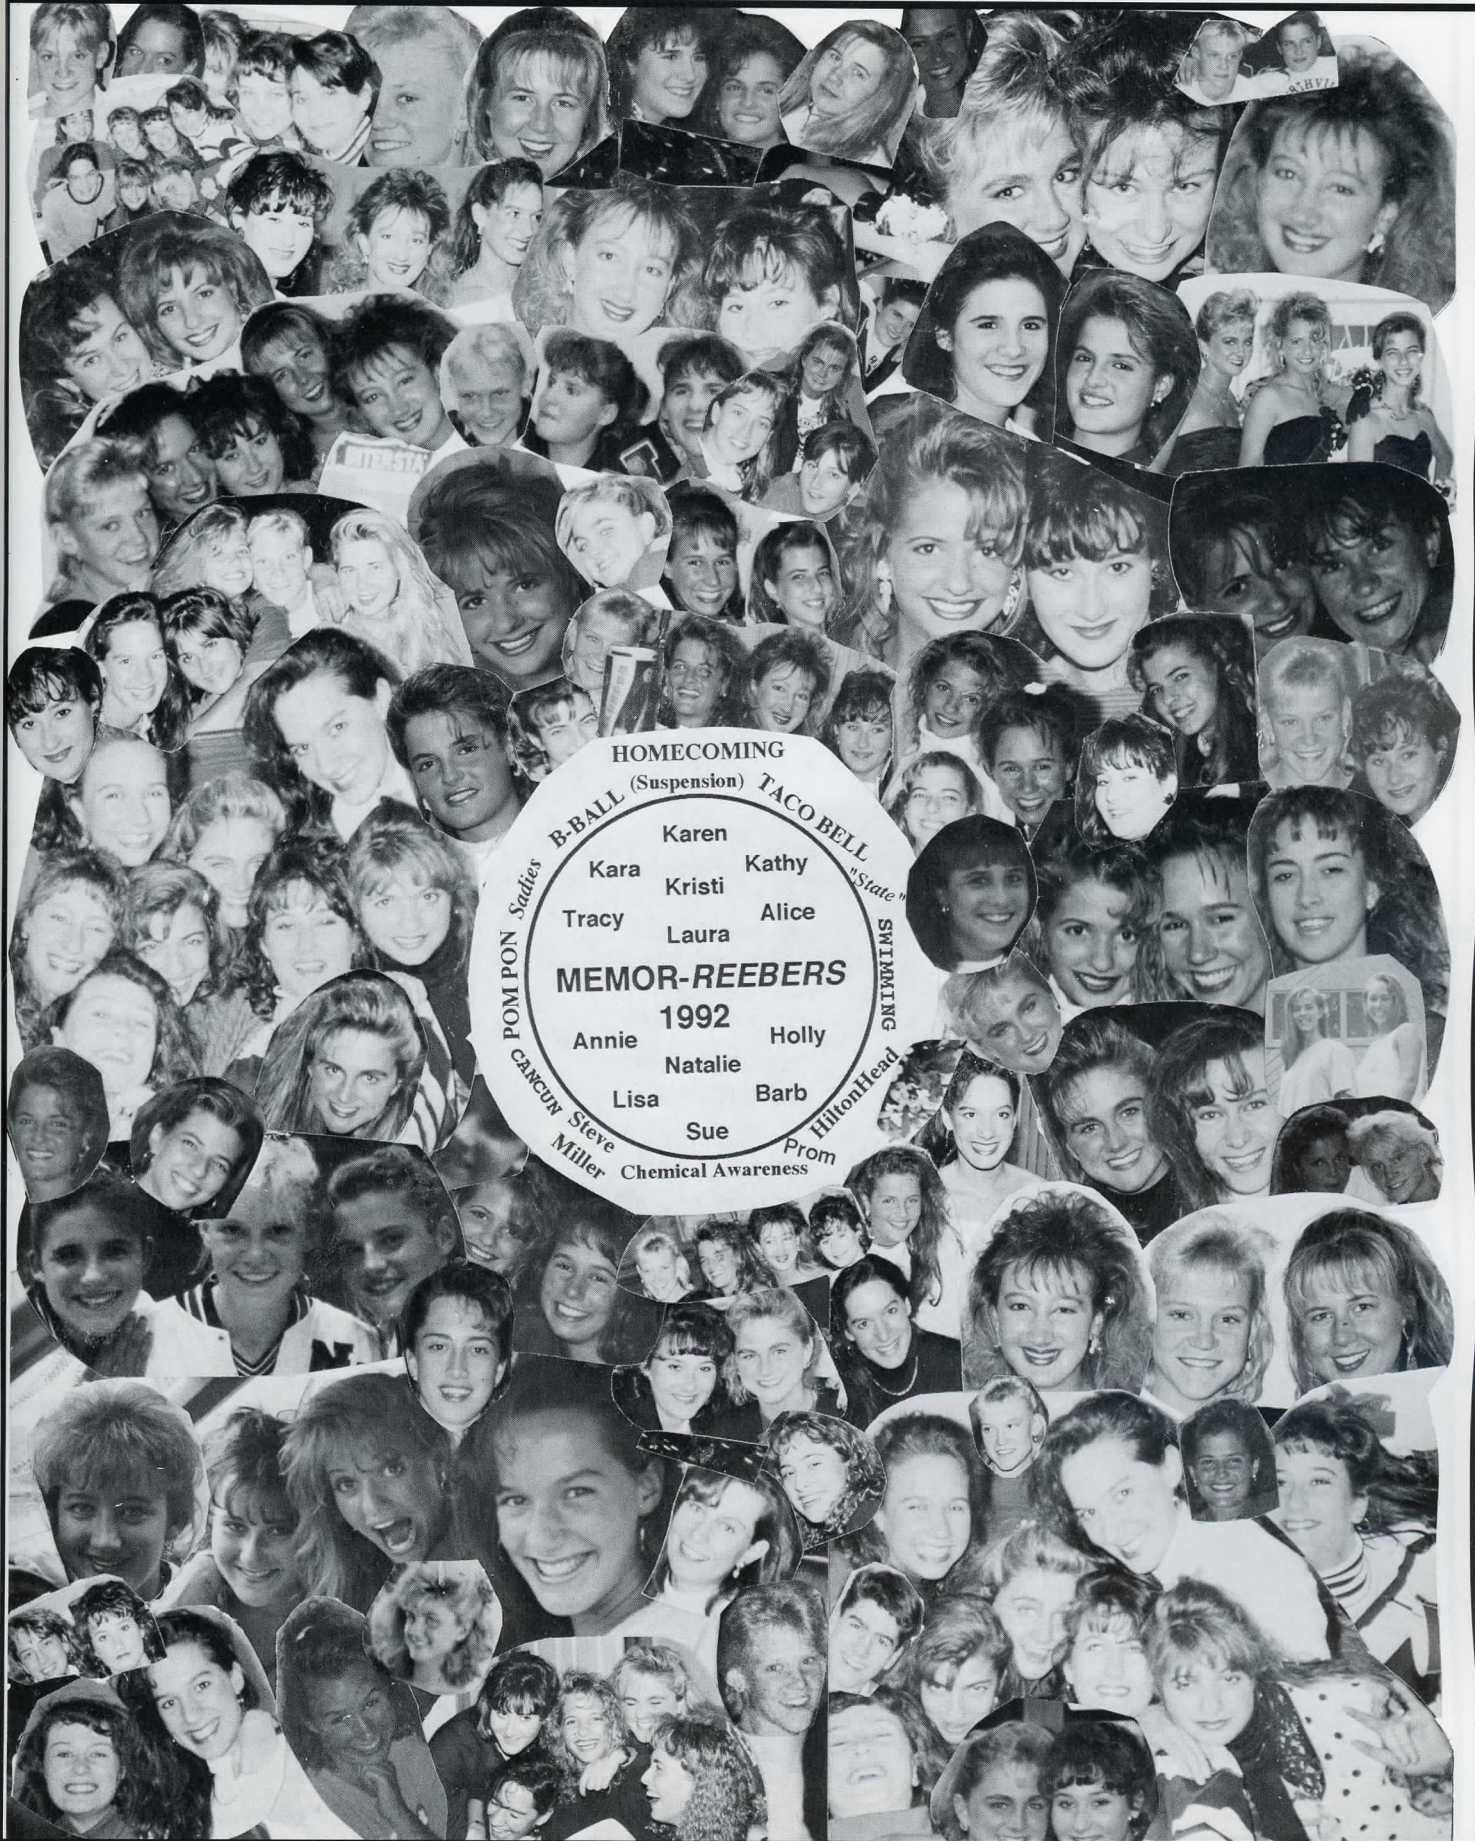

The Music Boosters sponsored a food stand at the Victorian Festival this year.
